

## **The Christian America Constitutional Amendment:**

**"The United States is a Christian Nation. Congress shall make no law abridging the free exercise of all Christian religions, nor make law giving preference of one Christian denomination over another Christian denomination,**

**nor giving preference of one Christian sect over another Christian sect. This amendment replaces the religion clause of the first amendment and supersedes all treaties as relevant to this amendment."**

**Important Reasons for The Christian America Amendment:**

**The Christian America Amendment is the ONLY effective legal remedy in the federal courts.**

**We need to bring Jesus into government and schools and**

**honor Him, and throw out the false gods of "The New Religion of Civil Government" as Thomas Jefferson said. We need God to lead us and to go forth to help fight the battle for you and the good fight of faith with you. Then and only then is there a chance to save the nation from our enemies and have reasonable time to train the eternal souls and minds of our children to honor the Golden Rule and God's Way in their lives. And as a result gain the children's respect instead of their disrespect as Jesus is effectively thrown out of Government in our minds, our work and public lives**

**and as a result have God's Blessings and a prosperous future upon our families and our failing nation.**

**Do you want your enemies including Russia and the Arab League nations to rule over you in the United Nations?**

**Or do you want Jesus Christ who truly loves you?**

**Support The Christian America Amendment!**

**Do you want your children state-indoctrinated in with false religions of civil government where they are taught "no nation may be above another" as Pres. Obama recently said in Egypt. The government lies and deceives all those who are willing to believe their lies, that all enemy nations will eventually be our friends allies in the United Nations and do what is in America's best interest instead of greedily just for their own nefarious reasons. Or do you want your children taught the whole truth of a loving God and Jesus and have truth, justice, liberty**

**and national freedom from our enemies rule through the UN World Government? The religion of Civil Government is a demonic religion modified from ancient Rome where millions of Christians were eventually persecuted and martyred. The Family-of-Nations doctrine of all the nations of the world will be suitable "partners" in the U.N. World Government is a fanatical religion dedicated to the tyrannical eventual rule of mankind in coming centuries.**

**government will God honor the nation with His blessings. We must start the legal process by supporting the Christian America Amendment .**

**Saving the children and the future of America will be only done effectively in our schools and nation's culture depending upon the renewed conscience of leaders and spiritual awakening to God's presence and will with judges and politicians you choose to freely elect and they will do their best to legislate just laws protecting you and all children. Laws may either promote or**

**allow immorality or encourage morality and a healthy society.**

**Do you want to have a prosperous future for the nation or increasing civil unrest caused by ruinous poverty of a coming third world economic status for the USA?**

**Support the Christian America Amendment!**

**Do you want federal tax laws rewarding the parasitic worship of wealth and the idolatry of greed returning virtually nothing for the future of America and the prosperity of our children?**

**Do you want a kinder, gentler more productive economy, and a Christian government that truly cares for you with a rising standard of living for most Americans?**

**Support the Christian America Amendment!**

**Do you want the USA to be a third world economy and ruled by our enemies in the United Nations for centuries? Then repent and end "free trade" and the unleashed military buildup of the nation's enemies and instead of our**

**enemies eventually ruling,  
establish God's Kingdom Here on  
Earth as it is in Heaven as Jesus  
and His Father in Heaven  
commanded.**

Fathers tried and today-together

freedom in law for all Christian  
religions!**

**Save our nation's future and the  
minds and souls of our children  
now!**

## **Amen**

**Jesus did NOT say in the Lord's Prayer "Thy Kingdom come over our souls and NOT ON Earth," as many Christians say today. Jesus said, "Thy Kingdom come ON Earth, in a tangible physical way with legal foundations in Constitutional Law as America's Founding Fathers righteously believed.**

**The Apostles, after years of training and careful instruction by Jesus Himself in the Book of Acts chapter one, were ready for a**

**Christian nation on earth to live in (they hoped for then a sovereign nation, which they speculated would be the restoration of Israel), which Jesus answered there would indeed be "Times and Seasons" as God's Promise to Christians. The original American States and Colonies were one of those answers of God's answer of His Promise of a Christian Nation "here on earth" literally in past times and now today!**

**You should expect a Christian government of the nation too.**

**Amen**

## **Matthew 6:31**

**“Do not worry then, saying, ‘What will we eat?’ or ‘What will we drink?’ or ‘What will we wear for clothing?’ 32 “For the Gentiles eagerly seek all these things; for your heavenly Father knows that you need all these things.” 33 “But seek first His Kingdom and His righteousness, and all these things will be added to you.”**
