

**Politicians sometimes check their weekend "house of worship" religion at the door of government, however their true religion is brought to bear in their thoughts and decisions in government.**

**As President Thomas Jefferson said, the government's actual religion is "the new RELIGION of Civil Government." "New" being**

**to the new nation of The United States. It is actually a modified form the ancient Roman Civil Government where what Caesar Augustus said was "law" by his statement "Rule By Law." Man's ideas are not greater than God's Word, and usually result in ruin, harm and destruction. God's Word reflects God's Love, and is always for the best long term benefit of mankind.**

**Liberal Christian theologian John Locke slightly modified Roman Civil Government where historically Christians were persecuted and put to death. As history repeats itself when**

**lessons are not learned and mistakes are not corrected. The USA already has concentration camps under construction, initially relocation camps for large scale disasters. In the not so distant future the concentration camps eventually will be used for social and civil unrest as Americans find they are totally under the iron heel of the U.N. World Government and resist the loss of nationalism.**

**Alarmingly the USA is working to throw ALL of the earth's nations under the steel boots of what will become eventually the cruelest tyranny by the worst possible**

Due to the inevitable fall of the foolish Americans to empirical economic law that will reduce the USA to economic ruins due to the relentless economic force of a foolish "FREE TRADE" that DEMANDS the reduction of the American Dream to THIRD**

**WORLD NATIONS standards. The Congress is almost completely blinded to global economic and religious realities by "the god of this world" and will not "wake up" until it is too late to regain world leadership...**

**The Churches have doctrinal idols and want to believe in a lie and heresy of a "Second Coming Heresy" instead of sound doctrine of being godly stewards in government, bringing God's Kingdom here on Earth in government wherever they find the opportunity. Amen**

**Once the USA falls for its self**

**deception of the false religion of Civil Government, into the deadly jaws of its' enemies in the United Nations, then there will be no nation like the USA to free us from our torment and suffering by our enemies for as long as nations are on the earth says the Holy Spirit. Amen**

**The Bible forbids treaties with God's enemies such as the U.N. Treaty Organization. Enemy**

**nations such as Russia, China and the Muslim nations usually break the treaties eventually so to give advantage themselves. As a result making treaties to have them rule over you is far worse than a waste of time. Amen**

**When Jesus said "render unto Caesar that which is Caesar's, and unto God that which is God's" it was just before the government began their genocide of Christians and Jews. The historic context of the statement was not an eternal formula of secular government by the people. Though Jesus said "My Kingdom is not on earth," that was just**

**The Signature-Directive Command in the Lord's Prayer is for establishing God's government on earth for earthly matters which happened centuries later in the Roman Empire when Emperor Constantine converted to Christianity.**

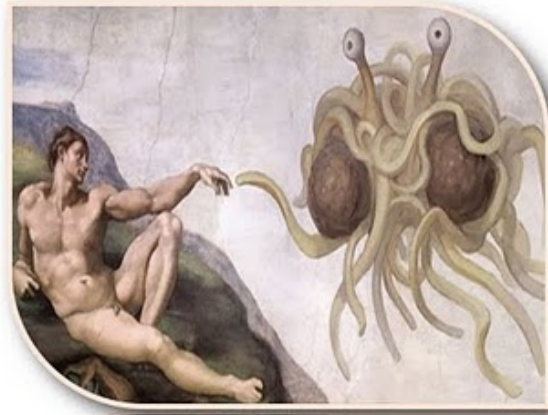

**As Prophet Samuel was told, ancient Israel had rejected God's government on earth when they desired a pagan government "like all the other nations." Civil Government is just a way to have state indoctrination of the religion of capital "Man" the worship of man, or today is called "secular humanism," with a mix of other evolved religions, such as the religion of evolution from ancient Egypt, an anti-science religion where trillions of years would not yield meaningful bio-**

**Jews as the facts of history have written occur when there is such concentration of power by global governments. By severe public school religious indoctrination of an evolved mix of ancient religions including the religion of civil government, public education is producing people that are incapable of self-rule, whether in their own lives or making wise decisions in government of a democracy. The religion of Civil Government presupposes that man is logical and rational. Whether under the ancient Caesars or today in school science classrooms**

**regarding fanatical opposition to teaching the facts of science about evolution of life from the simple to the complex, mankind is fanatically irrational. Jesus explains this by Sins against God, where spiritual beings called demons “master” the people who sin, oftentimes for their entire lives. The actual religion of the biblical beast today is the religion of Civil Government, where instead of confessing "Caesar is Lord" American Christians say the "Supreme Court is Lord" or "Congress is Lord" or "the President is Lord." Civil Government is a religion where**

**the nations will be "reasonable" as the federal "Family of nations doctrine" instead of having to destroy them by NATO and other armies of the U.N. World Government. The "inalienable rights" given by God and Jesus are subordinated and "trumped" by laws legislated by sinful government leaders. Either God and Jesus is King of Kings, or the USA and its' Frankenstein creation of the United Nations World Government are the supreme gods to be obeyed. For Christians to believe the religion of civil government as practiced by the United Nations is treason**

**Since "God is not mocked" the consequences for the USA without repentance will be similar to how Germany fell politically and ideologically to the Nazi's Third Reich in six short years after their economy was ruined.**

**For centuries to come there will be misery, sadness and no righteous governments on earth.**

**The American people have been so severely indoctrinated by the government's educational system that it may be only a few years before the utopian nightmare of the U.N. World Government takes full control of their lives.**

**Jesus is concerned that people receive their earthly physical needs such as wealth and property as He promised, "Seek first His Kingdom and His righteousness, and all these THINGS will be added to you." Jesus was concerned about everything, including food on the table when He told Apostle Peter, "Feed My sheep."**

**Government and religion were always meant to overlap, whether it is the ancient King David who was also a prophet who wrote scriptures, or today's modern religion of civil government or the correct choice of true religion of Jesus The King of Kings ruling over the nations of the earth. Amen**
