## The Christian America Constitutional Amendment Is The Only Solution For FREEDOM and LIBERTY.

**The Christian Constitutional Amendment Is The Only Political Answer And Effective Legal Solution For FREEDOM and LIBERTY of ALL Christian Religions!**

**Many Christians have failed to understand the biblical precept NOT to oppose King Jesus and a Christian Nation by Law- as Jesus said "either you are for Me or against Me!"**

## Christian America Constitutional Amendment Is The Only Solution

**By disobeying King Jesus Christians are effectively supporting polytheism in law and throwing the rule of the nation to God's enemies in the United Nations for centuries to come...**

**As a typical example of the rebellion of Christians to King Jesus, "Pat" Robertson has trained or misled almost all of the Christian lawyers and the general public fifty years with CBN. The Christian Broadcasting Network, for all of his life to OPPOSE a Christian nation by law and oppose other Christian laws and oppose King Jesus ruling in a Christian government by law.**

**If only if "Pat" Robertson could of repented fifty years ago, when CBN began to broadcast, from opposing God's Kingdom here on Earth as it is in Heaven, Pat Robertson could of transformed the Christian Culture to make it the dominant world-view and culture, instead of the polytheism culture that is taking most of the children into the Kingdom of Darkness forever.**

## Christian America Constitutional Amendment Is The Only Solution

**Much good could of been done to save the minds and souls of the children and nation with CBN's Regent University's endowment of billions of dollars of assets including media networks such as television's USA network to proclaim the gospel of God's Kingdom of what the USA could of become as a Christian nation with freedom and liberty and most important having God's Blessings. With CBN's billions of dollars of television media to proclaim the Truth of God's desire for America to become a Christian nation, the American Dream would become a reality again...**

**Jesus spoke of God's Kingdom more than any other subject and doctrine as recorded in the gospels. For knowledge of the Lord to cover the earth the kingdom cannot be "Secret" as Pat Robertson writes, but as Christians are "living epistles" known and read by all men, shining as "a city on a hill" God's Kingdom must be the testimony and witness of all Christians... Matthew 5:14 Jesus said, "you are the light of the world, a [shining] city on a hill."**

## Christian America Constitutional Amendment Is The Only Solution

**More than any other doctrine, Jesus preached more on the Kingdom of God, the coming Kingdom of God and His soon coming kingdom, which was near while He ministered before the cross, then after the cross the Kingdom of God was in us and to be established on earth as it is in heaven and of His coming kingdom, [Jesus received His kingdom from His Heavenly Father a few days after the cross when His throne was set up, book of Daniel 2:44. Jesus rules the nations now and He is now making His enemy nations His footstool to set His Feet upon as written in 1 Corinthians 15:23-26.] Until the last enemy of death itself is abolished in verse 26 as the saints are given new bodies and eternal life. Therefore Christians must let Christ rule now as in eternity “God may be all in all.” Either the rule of Christ on earth is a mere fraction of a second at His “coming,” or He is here right now and rules the kings of the earth right now at this time which of course the latter is the Biblical and Absolute Truth. Revelation 1:5 “Jesus Christ, who is the faithful witness, the firstborn of the dead, and the ruler of the **kings** of the earth.”**

## Christian America Constitutional Amendment Is The Only Solution

**Current grammatical tense is ruling right now, at this time, which was written before the 70 A.D. destruction of Jerusalem. That grammar includes now at this time in the twenty-first century.**

**The problem is, Christians are not willing to let King Jesus rule, now at this time, nor allow King Jesus to rule in the future if they do not repent and allow Him to rule their hearts and minds now at this time. In fact, the laws of the USA forbid even the speaking “the Name of Jesus,” in most public venues. The Bible warns this is a fatal mistake as this is the ONLY NAME of GOD, the name of Jesus, that men may call upon to be saved (Acts 4:12)! The USA laws essentially forbid men, women and children from saving their eternal souls, now and for eternity. Unless the laws are changed by the Christian Amendment...**

**The ancient nation of Israel was not merely temporal was an actual nation in history and Christ's ruling smashing the nations in the Book of Revelation is not merely spiritual, but actually has happened a number of times in history.**

## Christian America Constitutional Amendment Is The Only Solution

**Nations are both temporal and spiritual, for good or for evil as the USA has become, taking the earth's nations into the kingdom of darkness under the UN World Government to be ruled by our enemies for centuries to come... Christ must rule both in our hearts and expressed through our minds, hands and temporal works and accomplishments including in government. Christ rules, not merely in spiritual matters, but in temporal matters making the enemy nations His footstool according to the Word of God, 1 Corinthians 15.**

**In the Book of Acts chapter one Jesus does not answer His disciples with a rebuke. For His Apostles were trained and knowledgeable whom He had patiently taught for years about the coming Kingdom of God. The Apostles correctly wanted national sovereignty of Christian nations that obeyed God and were especially concerned about the possible actual restoration of national Israel at that time, which was under the tyrannical rule of the Roman Empire.**

## Christian America Constitutional Amendment Is The Only Solution

**Jesus answered the Apostles' question that He, the Son of God, did not know personally when or if God that would set up a sovereign nation, but emphasized there would be "times and seasons" using biblical "empire and nations rising and falling" symbolic language to emphasize there would be a number of Christian nations in the future to believe for that would eventually exist, such as the eventual conversion of the Roman Empire to Christianity several hundred years from that time at the ascension and enthroning of Christ.**

**It was true mercy and grace of God to hand the entire Roman Empire, "on a proverbial silver platter," to the Christians, but as ancient Israel they played the harlot against King Jesus Christ and a short decade later the Roman empire's persecutions of Christians began again...**

**Then came centuries of the "dark ages" until the early**

Christian America Constitutional Amendment Is The Only Solution

**Christian States of the United States were almost all Christian by Law. God's Kingdom on Earth had come then.**

**The USA Constitution's polytheism legally mandated "freedom" of all religions ensured that eventually, over the centuries that, ALL Freedom's WERE going to be LOST sometime in the twenty-first century as God's enemies banned King Jesus and moral laws.**

**God's grace gave centuries of time of more mercy and now is the time of the FINAL WARNING as ALL national sovereignty is being lost to the growing tyranny of the United Nations World Government.**

## Christian America Constitutional Amendment Is The Only Solution

**The Sin of Unbelief damned Israel under Moses in the Wilderness to God's Wrath, (Hebrews 3:11) and today's sin of Unbelief of the American Christians to "enter the Promised Land" of the freedom and liberty and blessings of a Christian nation that America should rightly become. This is why God is damning the nation (God's Judging of America!) and is also judging the American Christians today (1Peter 4:17).**

**Marion "Pat" Robertson has sinned severely- so greatly sinned that now almost ALL the nation's children have their souls and minds damned in the public educational system by state indoctrination of POLYTHEISM, the public schools are true "State Temples of Religion."**

**(Jefferson Memorial replica of worship temple Roman Pantheon of all gods)**

## Christian America Constitutional Amendment Is The Only Solution

**Pres. Thomas Jefferson warned the Virginia leaders the choice in government was NOT SECULAR versus religion, but was actually the legal installation of a state religion, “a new religion,” an adversarial polytheistic religion, by saying, “I have turned them from Christianity to a New RELIGION of Civil Government.”**

**By being an adversary of a Christian nation, Thomas Jefferson became an enemy of King Jesus by installing God’s enemy gods of the religion of Civil Government, as “the law of the land.” Polytheism versus Monotheism, Polytheocratic versus Theocracy, potentially including all the pagan gods of the middle east and the gods ancient Rome of the religions worshipped in the USA as the statue upon the U.S. Capitol Dome, the goddess “Freedom Triumphant” representing “anything goes Babylon” type of lawmaking (greek anomia: lawlessness, ignoring God’s laws and desire for good government).**

**Thomas Jefferson warned everyone that he openly opposed a Christian government by advocating an adversarial new religion of "Civil Government."**

**This cannot be over emphasized, “The New Religion of Civil Government” is an adversary to King Jesus bringing legal polytheism and the worship of all religions by the phrase “freedom of all religions.”**

**Though the new American nation was almost all Christian for those who voted, the Government and Schools gradually turned almost all the children against God and Jesus as the centuries passed.**

**Today the media, television, radio, print, are still available to proclaim the truth and with all the opportunity on the internet, the Christians continue to “harden their hearts” to rebel against King Jesus and His Government/Kingdom today and probably will do so forever as they refuse to establish God’s Kingdom here on earth as the Holy Spirit leads as God has commanded.**

**The Religion of Civil Government is a white-washed government religion derived from the roman civil government model that "worked," in a manner of speaking, for centuries.**

**Christians will note Civil Government is the form of government that Christians were persecuted and martyred and murdered by a maniacal government for centuries. As a result, essentially the same model of government will result in repression, persecutions and murders of the saints, as the USA's concentration camps under construction tacitly warn those with "ears to hear and eyes to see" who the future holds...**

**As history repeats itself for those who fail to learn its lessons, the concentration camps in America are already under construction in the states, destined for those who oppose the U.N. World Government...**

**Jesus said "Work for the night is coming" and for Christians to do nothing, while their neighbor's children are being destroyed in the schools and the nation is ruled by traitors for U.N. World government but only pray is sin. What is not of faith is sin, and the Christians know they need to do something and not resist the will of God in schools and government.**

## Christian America Constitutional Amendment Is The Only Solution

**To do nothing is to damn the children in the public schools to the Kingdom of Darkness and eternal suffering.**

**“Faith without works is dead,” and those who refuse to do the work of the Holy Spirit in government and save their nation and their neighbor’s children is sin against God. “Faith” is a verb, requires action, work today to save the children and work today to save the nation with the [www.ChristianAmendment.com](http://www.ChristianAmendment.com)**

**The USA leaders are so deceived now as to think the enemies of God and Jesus will be an acceptable form of world government, deceiving themselves they will be bringing global peace for centuries.**

**God warns “DO NOT BE DECEIVED!” It is a sin against God to be deceived and believe a lie. Galatians 6:7 Be not deceived; **God is not mocked**: for whatsoever a man sows, that shall he also reap.**

## Christian America Constitutional Amendment Is The Only Solution

**In the global economy with free-trade and building up the war-making capabilities and prospering the enemy national economies of God's enemies will eventually result in growing global terror, persecution and coming wars against the United States, that one prophet promises will be about twenty years from now, circa 2030 A.D.**

**Pres. George Washington admitted the U.S. was NOT a Christian nation by law by confirming the Treaty of Tripoli in which Washington admitted the polytheistic foundations of the U.S. Constitution's religion of Civil Government from the beginning and ratification of the U.S. Constitution.**

## Christian America Constitutional Amendment Is The Only Solution

**(A Jewish Synagogue was the first source of money, funds to buy arms and ammunition for General George Washington and Washington signed off in supporting polytheism in law instead of Christian laws.)**

**Basically, many of the Christians sold their souls to establish polytheism by sinning against King Jesus to obtain national sovereignty. They cried out to King Jesus in the prayer and motto of the American Revolution by saying “Jesus is our King, not King George!” And after the revolution, they quickly betrayed King Jesus by rejecting a Christian nation by law with the freedom for all gods and religions embedded in the acceptance of the U.S. Constitution. It is a fatal flaw, though God has graciously given centuries to repent, the time is now at hand to permanently hand over the government to our enemies in world government and order the destruction of almost all the children in the public schools with their state religions that are relentless, dogmatically taught for the decades they have control over the children and their “education.”**

## Christian America Constitutional Amendment Is The Only Solution

**In the Bible under King Solomon, with a theocratic rule of law- polytheism was sinfully introduced and God destroyed most of the nation within one generation because of the harlotry of the nation. The USA has had a number of generations to repent of opposing King Jesus in government.**

**God has graciously given America much time over the centuries to repent and much time to the wayward Christian lawyers to repent of polytheistic civil government and begin their support of King Jesus in Christian Constitutional Law.**

**Jesus commanded to disciple ALL nations and the U.N. World Government in treaties, laws, resolutions and regulations has forbidden obedience to the command of God Almighty to make disciples of all nations.**

## Christian America Constitutional Amendment Is The Only Solution

**The Christians have sold themselves to sin by obeying the United Nations laws to forbid evangelization. Even nonprofit organizations such as TBN and Samaritan's Purse with Franklin Graham were forbidden from spreading the gospel, the good news of Jesus Christ, unless they were asked. Apostle Paul just waded into any public situation and preached the gospel. The United States is truly taking the nations into the kingdom of darkness forever, the eternal night of persecution of the faithful, because of the NEGLIGENCE of the great salvation the preaching and hearing the gospel of Jesus Christ brings those who believe.**

**The Jews in government usually oppose the preaching of the gospel of Jesus Christ and in fact are God's enemies as a result as written in the Holy Scriptures...**

**Romans 11:28\* "From the standpoint of the gospel the Jews are ENEMIES for your sake, but from the standpoint of God's choice they are beloved for the sake of the fathers."**

## Christian America Constitutional Amendment Is The Only Solution

**People are spiritual, and not rational, after they are trained as a child, they have hardened their own hearts to truth and the gospel, and it is generally too late then to try to convert people to Jesus Christ, with few exceptions as the conversion statistics show there are truly few converts to Christianity in adulthood. As Jesus warned the Jewish leaders make their disciples twice the devil they are themselves, so likewise the public schools make the children with each passing generation twice as antichrist as the previous generation, with few exceptions...**

**This is why in the gospel of Jesus, when the Messiah fulfilled over three hundred prophecies written in the Old Testament, that only God Incarnate, the Messiah could do, that many Jews continue to reject the Messiah, only a fool would reject Jesus the Messiah, and His gift of eternal life. However the Jews are usually implacable enemies of rational government of Jesus Christ and are a major component (such as Fmr. Ambassador Henry Kissinger) of "The New Order" that will bring a New Dark Ages for centuries to come to all of the earth, unless the Christians act NOW and enact the Christian America Amendment.**

## Christian America Constitutional Amendment Is The Only Solution

**Christ Jesus obeyed the Holy Spirit so carefully that He fulfilled over three hundred prophecies that ONLY God INCARNATE COULD ACCOMPLISH and yet many of the Jews continue to reject Christ their Messiah and God's salvation...**

**The Christian America Amendment, aside from a short statement of faith, such as "Jesus is my lord and is sent from The Father," or something similar would allow Christian atheists, or Jews or anyone else hold elected office according to one's own conscience. If the elected candidate does not have a conscience, that is the responsibility and to the shame of the voters who elected them. There will be no "religious test" for office by the Christian Amendment.**

**The quality of America's government is strictly up to the citizens and voters of The United States of America.**

**Unless there are a nominal "ten righteous men" in the land, as God promised Abraham mercy for, as God loves mercy, the United States will go on being gradually ruined and destroyed and occupied and controlled by God's enemies.**

**Today foreign corporations and governments' money in political donation may influence and throw elections to global choices as John McCain and others decided to sell the sovereignty of the nation to God's enemies in free-trade and world government. Both major political parties (Republic and Democratic) are all dedicated to the proposition of United Nations World government and as a result selling out the USA "lot, stock and barrel" for all the nation's children and selling their neighbor's children's future to their enemies for money in globalism.**

**"Selling the minds, souls, bodies" of the American people to God's enemies in "free-trade" and world government is given "double punishment" in the Book of Revelation in the Holy Bible. Selling out the future of America and the rest of the nations to their enemies in world government is unconscionable.**

## Christian America Constitutional Amendment Is The Only Solution

**Now is the time God has chosen to apply "pressure" for the USA to be gradually ruined and destroyed over the coming centuries ruled by our enemies in the United Nations New World Order government and "free-trade," as there are not ten righteous websites advocating returning the states to Christian Constitutions.**

**God and America has lost almost ALL of the next several future generations of children because of "Pat Robertson" and Christian lawyers opposing the [www.ChristianAmendment.com](http://www.ChristianAmendment.com)**

**Opposing King Jesus Christ's rule of the USA and supporting polytheism is great sin against God!!!**

**There are not "ten-righteous" books, radio shows, television shows, or anything else in the media advocating a Christian Nation by Law to save the children and save America.**

## Christian America Constitutional Amendment Is The Only Solution

**Why should the Christians repent of damning the children's eternal souls in the state indoctrination centers and religious temples of the public educational system and save the future of the nation? Because that is God's Love to save the children and the nation, to bring eternal life, liberty and blessings in this temporal existence and in the eternal life to come...**

**If parents LOVE and care about their neighbors' children, they must support the Christian America Amendment.**

**The status quo of the Washington D.C. government is now usually a demonic cesspool of ideological madness working with all of their strength to throw the nation into the waiting jaws of the United Nations and New World Order and bring poverty forever for most of the American people... Instead of listening to the public and being reasonable, the Congress blindly passes bills such as the health bill without reading or serious consideration of the consequences.**

## Christian America Constitutional Amendment Is The Only Solution

**The leaders are becoming “Talking heads” that ideologically decouple the American people from the nightmare the agencies and U.N. World Government are working daily to bring. It is a sin to be deceived, as God has provided “the Spirit of Truth” to all who call upon the Name of Jesus to be saved.**

**Instead of Christians putting on the armor of God in Ephesians chapter 6, the Christians are staying in their comfort zones and closed communities waiting to be “slaughtered as sheep.” It is not God’s will to wait to be slaughtered and the children’s souls damned forever. It is God’s will to “fight the good fight of faith” and take over the government by**

**electing those who support King Jesus and better future for the nation than handing everything over to our enemies in the United Nations.**

## Christian America Constitutional Amendment Is The Only Solution

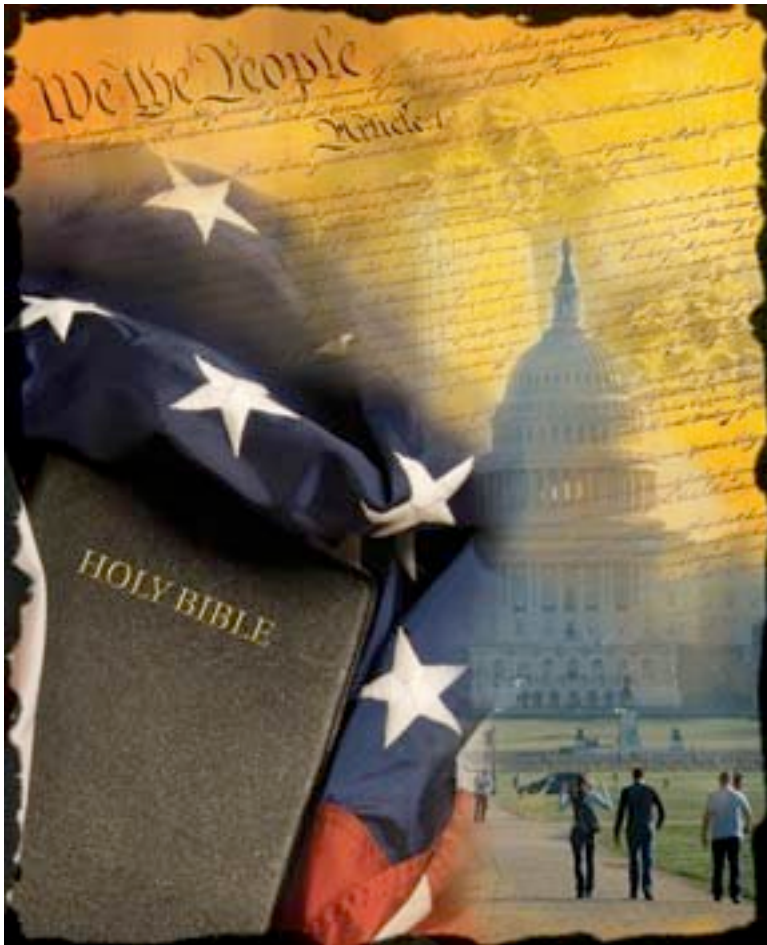

**Hypocritically the "Bible" may be taught in hypocrisy some public schools in a literature or comparative religion sense with two other major "religions" taught "comparatively" such as Islam and Buddhism without telling the truth of the infinite wisdom and superiority of the "Only Wise God" of Jesus Christ, and what happens**

**to nations in the Bible that reduces Jesus to one of the pantheon of gods worshipped instead of giving Him the position of absolute sovereignty over all the universe and King of kings of all the nations.**

**As a result of teaching the Gospel of Jesus in a hypocritical, "tolerance for all religions" sort of way the children usually continue to be damned in such a peer group religious environment. As more and more lies are taught in the schools against the Holy Spirit, "The Father of Lies" has greater places to occupy and influence the children so their souls and the nation's future is lost forever.**

## Christian America Constitutional Amendment Is The Only Solution

**The Bible commands to educate the children in a godly manner with basic biblical knowledge that they may grow up to be godly adults with mature responsibility as a nation of "kings and priests."**

**The ONLY SOLUTION IS KING JESUS and bringing Him back into government according to one's freedom of conscience, instead of a legal religious test with the [www.ChristianAmendment.com](http://www.ChristianAmendment.com)**

**The correct and ONLY effective solution is to advocate the [www.ChristianAmendment.com](http://www.ChristianAmendment.com) to reign back the judiciary and Congress sending the nation to perdition, ruin and destruction.**

## Christian America Constitutional Amendment Is The Only Solution

**Only if King Jesus is brought back into the USA government may there be mercy and grace and a bright future with hope for America and the children. Without the Creator of the Universe and Christ fighting for America, the political battle is over, as the trillion dollar brainwashing state indoctrination schools and antichrist public higher education are utilized to turn almost all the children against God and against America national sovereignty to globalism, a world without sovereign nations so to support their enemies in the U.N. World Government and New World Order for centuries to come in a “new dark ages.”**

**The Bible warns "Not ALL men have FAITH!" Furthermore, there is ONLY ONE FAITH the Bible has written. There are not multiple “faiths.” God said there is ONLY the one faith that pleases Him and that is the Christian faith...**

**It is wrong to declare other religions to be of faith when "The HOLY SPIRIT SAYS ISLAM IS AN ABOMINATION TO GOD!"**

## **Christian America Constitutional Amendment Is The Only Solution**

**The USA has set up at least three muslim countries by law as recent additions to the kingdom of darkness with the help of the Islamic nations including two recent wars.**

**Only more curse of God's Judgment will be the reward for going antichrist in almost every way imaginable... Christians are at fault and to be blamed for the polytheistic-demonic cesspool of Washington D.C. "that changes men's souls," as is said of politicians that start good but end up going bad because of the spiritual oppression in D.C.**

**Mrs. Obama recently confessed life at the White House "Is like HELL!" That is because "the gates of hell" have prevailed in the federal government, and there is little or no spiritual blessing.**

## Christian America Constitutional Amendment Is The Only Solution

**The Roman Catholic Church recently try to sell a Staten Island New York Covenant to the muslims as other churches have been sold to the muslims, but this time to send a signal: The UNITED STATES is sold out to the muslims at the cost of everything, including their eternal souls.**

**With the Statue of Liberty on Staten Island, the Catholics were sending the message, liberty, freedom and the nation itself were sold out to Islamic Sharia Law and are now the enemies of God.**

**Amen**

**For Muslims, in the Koran/Quran Muhammad was commanded by “God” and the angel “Michael” in the cave who told him as recorded in the Koran to learn to read twice, but Muhammad DISOBEYED and NEVER learned to read and continued to be illiterate until the day he died.**

## Christian America Constitutional Amendment Is The Only Solution

**As a result of Muhammad failing to learn the Holy Scriptures of God and Jesus Christ, Muhammad made a mess of the Islam religion at the cost of hundreds of millions of lives of dead Christians, including the death knell of the Koran's commanding muslims to murder Christians even today that "offend" by honestly questioning the errors of Islam or try to evangelize muslims with the gospel of Jesus Christ. Recently, as a subset of the U.N.'s charter treaty of no proselytizing, the Muslims tried to make it hate speech to even question the errors of Islam... As Jesus said, "you will be hated by ALL nations." There is no middle ground or "level playing field" in the U.N. World Government, only "the head or the tail." Because the Christians have rejected King Jesus they can only be the "tail" or persecuted slaves of their chosen masters in the U.N. World Government. Christians are to choose King Jesus to rule over them and NOT choose their enemies in the forbidden United Nations.**

**Now the Muslims travel to Mecca, as the Koran has written, to go in circles a “moon rock” meteorite as a religious rite originally used in about three hundred ancient pagan lunar religions prior to Muhammed establishing the Islamic religion where people must submit or the sword is used upon them.**

**Islam is NOT a religion of peace, but submission with the sword used on those who will not submit or pay the tribute tax to their Allah god.**

**Typical of the mistakes of the Koran written six hundred years after, they do not believe the four gospels account of the passion and resurrection of Jesus and five secular sources that testify of the existence of Jesus. Surah 4:157 says there was no death and resurrection of Jesus, even though there were hundreds of witnesses, even some of the dead were resurrected in walked in Jerusalem as God’s vindication of His Holy One Christ.**

**Muhammad and his “angel” Surah 5:112 “Said Jesus: "Fear Allah, if ye have faith.””**  
**Jesus spoke and read the languages of Aramaic and Hebrew of the Holy Scriptures used by the Hebrews. Jesus did Not speak ancient arabic but repeatedly used the Aramaic or Hebrew Names of God, it would be the sin of blaspheme for Christ to use a non-scriptural pagan name “Allah” for God from the pagan arab religions name for their gods in the Mecca region (centuries later eastern Orthodox Christians used “Allah” as the name of God). Jesus was a Jew and not an arab from the Mecca region... Jesus was a prophet who heard from God and spoke what God told Him to speak. Jesus could not and would not use a pagan name used in Mecca for God His Father. Jesus is God Incarnate, the Resurrection and Life, as He Himself was resurrected after being killed by Roman soldiers who were expert killers under orders from the Roman Governor. There was no mistaking Christ’s death after speared through the side of Jesus and through the heart itself so water gushed out from the heart area that testified of Christ’s complete death. Muhammad had greatly sinned by saying Christ had not actually died as historical sources prove.**

**Islam is NOT a religion of peace as George W. Bush deluded himself, as history has written of hundreds of millions martyred Christians at the hands of Muslims testify to in history and even today the slaughter goes on of Christians murdered by Muslims, while the USA usually does little to nothing to stop the murders.**

**In contrast to Bush's "Voodoo Economics" the USA now practices "ECONOMICS FROM HELL!!!" Literally placing the entire future of the U.N. New World Order in enemy hands as Arab oil keeps the world price of oil relatively low and stable even with explosive economic growth of the demand of oil as third world economies are growing to pollute, endanger and trash the Earth's environment and future.**

**To support the global multinational socialism, C-span has broadcast the Arabs, Saudi Arabia and others are giving billions to buy U.S. Treasury notes to finance the United States mercenary armies of UNCOM United Nations Command to occupy and defuse other forms of Islam hostile to the Islamic Sunni Wahhabi sect that controls Saudi Arabia.**

**The muslims are manipulating the USA and working for global supremacy and in the context of the United Nations and the New World Order which is here now and growing in power...**

**In addition to this, the Congress has given unlimited power the Federal Reserve to secretly buy junk securities and worthless foreign securities, no matter how many trillions of dollars they may eventually cost, so they may bankrupt the future and destroy any hope of a better future for America. So the Federal Reserve “off the books” is subsidizing foreign banks and corporations so to socialize the globalization and eventual ruin of the USA.**

**In contrast to helping the foreign corporation failures, if AIG was helped and isolated from its foreign operations, there would of been no help necessary from the Congress and Treasury.**

## Christian America Constitutional Amendment Is The Only Solution

**It was the London corporate AIG operations that lost ninety billion dollars in derivatives. For the USA to prop up the global economy is true madness and destroying the future of America. Harvard's former President Larry Summers and other jews and unbelievers are generally authoring the global financial madness and bankruptcy and poverty of America's future.**

**One federal employee is "worried" about the secret transfer of TWO TRILLION DOLLARS in recent years that is "off the books" Federal Reserve accounting of the National Debt which is scheduled to grow to as much as a hundred trillion dollars in order to bring down the USA and give birth to total world domination by the U.N.**

**New World Order.**

**THE USA has become so completely ANTICHRIST it is encouraging Kenya and other nations to gradually adopt and establish Islamic Sharia law instead of saving the Christians of Kenya, Sudan and other nations of earth from their persecuting enemies.**

**Although God's Wrath will be tempered by centuries of diminishing grace, the rebellion and unbelief of Christians of the United States pushes God to reluctantly send multiple judgments, destructions and wars until the United States is fully destroyed, unless there are those "ten righteous men," Christian leaders, that will cause God to stave off His Judgment of "Fire." God's behavior toward the nation is similar to Dt 28 where He will and is raising up more and more enemies until the nation is fully destroyed for its' rebellion to Him.**

**Jesus said "you will be hated by all nations (by the means of free-trade) for my Name sake!"**

**The "Level Playing field" in government and "free-trade" is the "doctrine-of-demons," as the Bible warns, paraphrased. The Bible warns, you may either be the "Head or the Tail!" The false idea that unique products manufactured or unique services will be in large enough quantities that will bring up the general standard of living in the context of free-trade is a doctrine of demons... Unique products help, but only are a small part of the general economy of basic services, and basic commodities of GDP.**

**There is no "level playing field" option in the Kingdom of Jesus Christ, only "the head or the tail" options. Only a few nations in history have ever served God as ancient Israel.**

**To think global Christian domination is possible is delusion. Ancient Israel was the ONLY nation which served God at the time it existed and usually there were no believing nations at all in history.**

## **Christian America Constitutional Amendment Is The Only Solution**

**It was a rare nation or individual such as Abraham that had enough moral courage to obey in faith the leading of God's Voice and His Holy Spirit.**

**For America to turn from polytheism and certain coming ruin and become a Christian nation by law is God's command.**

**King Jesus is making the enemy nations His footstool as no "level-playing-field" is possible, except as bait for the deceived until the jaws of the global trap of the U.N. New World Order is closed forever.**

**As the USA loses out against the empirical economic downward pressure of "FREE TRADE" on the general standard of living, the USA will fall into the jaws of its enemies who will control the reigns of U.N. World Government for centuries to come. As it is said "Money Rules."**

**It is not a “housing-bubble,” as it was said to deceive the Americans, it is the American “standard-of-living-bubble” of the Americans that is the driving economic force of decline caused by free-trade letting all the money, jobs and capital out of the economy as the standard of living deflates caused by “free-trade.”**

**It doesn't take “rocket science” to know why Americans are not spending, it is caused by the lack of discretionary income. With less money in the family budget to spend as the standard of living falls due to free-trade the stores and service sector slowly edges toward bankruptcy and third world standards. The Federal Reserve's plan of “quantitative easing” and increasing the money supply is the doctrine of demons and the recipe of the USA's demise in the world economy. The Federal Reserve blunders on to buy as much junk securities and bankrupt foreign securities in order to balloon economic “growth” just as one would use a “credit card” to artificially sustain one's standard of living at the cost of future generations.**

## Christian America Constitutional Amendment Is The Only Solution

**(Note the American dream requires the same solution as the prosperity in the decade of the fifties, with the general standard of living increased with the growth of manufacturing after WW2 at an astounding rate of almost 4% annually, with the increasing production of manufactured consumer goods. If the standard of living is to be increased there MUST BE TARIFFS and DUTIES in a managed trade policy of “America First” in government policies.)**

## **Christian America Constitutional Amendment Is The Only Solution**

**Without the money to influence and control foreign nations, the USA will fall literally into the Kingdom of Darkness and take ALL of the earth's nations with it... in coming decades. Only a righteous remnant of saints will will continue to remain faithful to King Jesus Christ across the coming centuries of a "new dark ages." Amen**

**As I noted, there are not actually ten christian leaders to support a Christian Amendment and bring King Jesus to rule according to the gracious free will of His servants in Congress.**

**Therefore, after receiving the truth, there "remains no sacrifice for sin" and the USA waits for the fearful Vengeance of God that may or may not be centuries in the distant future.**

## Christian America Constitutional Amendment Is The Only Solution

**As another of God's motivational curses to repent indicated in The Law of Moses written in Deuteronomy 28 Prophet [www.kimclement.com](http://www.kimclement.com) prophesies God's war of punishment against the United States to be about twenty-one years in the future.**

**As long as Christians are fighting against King Jesus by opposing a christian nation with Christian LAWS, King Jesus will continue to pour out His judgments to the ruin of the USA and future generations under the tyrannical rule of the U.N. World Government.**

**The United Nations and foreign nations which already publishes in the USA Federal Register of new U.S. laws written by foreign governments as United States Law to be obeyed (without the obsolete process of Congress authoring analyzing and processing legislating after hearings and careful academic review of the long term impacts.**

## Christian America Constitutional Amendment Is The Only Solution

**Instead the Congress is just passing the laws, rubber stamping whatever the WhiteHouse, special interest think tanks such as the Brookings Institute and the myopic whims of the rich and foreign international lobbyists and corporations... Congress has truly sold the nation into the kingdom of darkness and into the hands of God's enemies...**

**We have already lost the protections of the U.S. Constitution and Bill of Rights by international treaties and Treaty laws ratified by Congress and enacted and implemented by Presidential Executive Orders bypassing the democratic processes and Congress.**

## Christian America Constitutional Amendment Is The Only Solution

**Because of Congress and the White House, Americans are "toast" waiting for America's enemies to devour eventually for centuries to come unless we repent now by breaking the evil rule of foreign enemies such as Russia, China and the Arab block of nations in the U.N. New World Order.**

**Jesus Christ is the LAWGIVER, and you can legislate morality by passing laws to discourage sin, such as capital punishment for the unrepentant as King Jesus would do.**

**As Israel's Deliverer and Judge Sampson gave his life to destroy God's enemies, Christian Lawyers need to stop pressing with all of the strength and might opposing King Jesus in government and law and resulting in gradually destroying the USA by USA polytheism laws where stopping the abortion of babies is impossible as long as you insist God's enemies rule over you by opposing a Christian American Nation by Law. As Jesus said "You will be hated by ALL nations." The idea of a polytheistic level playing field in global law is the doctrine of demons.**

**Congress needs to strictly appoint Christian judges that know the "spirit of the Law" which should be strictly "The Holy Spirit." As Supreme Court Justice John Jay said leaders and judges need to be Christian leaders with godly character and morals.**

**Congress needs to pass godly laws as Fmr. Gov. Sarah Palin has said the nation needs Christian laws.**

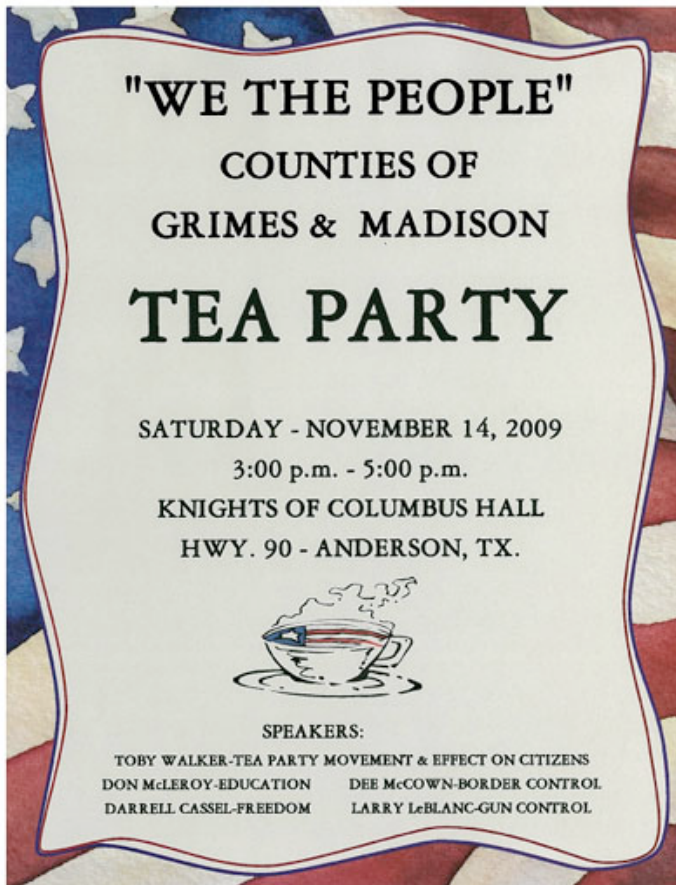

**Have King Jesus rule over you and support the [www.ChristianAmendment.com](http://www.ChristianAmendment.com) TODAY! You have almost no time left before your legal right to turn and have legal freedom and liberty for future generations.**

**The Late Senator Ted Stevens warned- the Congress will be gradually reduced to mere "talking heads," figurehead puppets of world government to rubber-stamp the misguided laws and regulations foreign leaders the USA has thrown itself under to be ruled by God's enemies as a broken down third world nation in another "DARK AGES" that may be forever UNLESS you act.**

Christian America Constitutional Amendment Is The Only Solution

**The Tea Party needs to be a political party of the “American Dream” salvation for the United States, evangelizing parents and saving the children's future.**

**The American people want to be saved, and it will either by King Jesus or the devil as Christians chose who will be their King at the ballot box.**

**The Tea Party Platform needs to include the foundational bedrock of Christian law, the [www.ChristianAmendment.com](http://www.ChristianAmendment.com) as the foundation stone of the political platform which is needed to bring America's King of kings Jesus into government and to rule over our hearts. Otherwise King Jesus has been exiled from government and replaced by the gods of the religion of civil government.**

## Christian America Constitutional Amendment Is The Only Solution

**Both political parties today are made up of mostly traitors of national sovereignty, the Republicans and Democrats are dedicated to the ruin and destruction of sovereignty of the United States and ruin of the domestic economy with mad-man global economics and Congressional wild budget fiscal orgy of drunken spending the future wealth of the American people on literally almost nothing that will bring long term economic growth and significant benefits to future generations of Americans ensuring a higher standard of living.**

**The foolish mantra slogan shouted in Congress in the various stimulus bills was "we have to get "the money" out the door quickly." Throwing the money on nothing that would bring long term benefits to future generations is demonic and plundering the treasury for greed...**

## Christian America Constitutional Amendment Is The Only Solution

**There was a total ban in Congress on getting money out the door for strategic beneficial projects such as doubling the interstate highway system size to handle the quadrupling of the population and traffic. That is one important reason that almost all immigration must be ended as the nation enter permanent traffic gridlock of the nation's commerce.**

**Only waste and foolish expenditures were allowed in Congress because of the minions of the New World Order wanted every taxpayer penny wasted all so the United States would fall and never rise again in the future.**

**Bankrupting future generations of the USA is the fiscal directive of the CFR globalists and not godly government providing a prosperous future for future generations of America...**

**The Tea Party needs to be raising the general standard of living, growing the American middle class for political stability instead of diminishing it. Saving the middle class from certain coming poverty unless there is an America first economic and trade policy (says the Holy Spirit).**

**Saving the Bill of Rights which already are being scheduled in the courts and coming and past treaties to be globalized to minimal global minimum human rights with the world tyranny of the U.N. and New World Order.**

**Rescuing the American People from the certain coming tyranny of the New World Order United Nations and the sub-poverty that will eventually strangle most of the American people as the true terrible coming costs of free-trade which is embedded in foreign TREATIES ALSO FORBIDDEN BY GOD AND THE HOLY BIBLE. God also punished Ancient Israel for trade with His enemies and had its entire merchant marine destroyed as a result of their rebellion against God.**

## Christian America Constitutional Amendment Is The Only Solution

**Today's nation of Israel still obeys the Law of Moses in some ways and forbids the selling of their land to foreigners, although today God means a Christian nation by law such as the Bahamas should not sell their land to foreigners. America should also forbid selling its' land to foreigners in respect of future generations...**

**The idolatry of greed, money is the government's religion of extreme predatory capitalism selling people's minds, souls and bodies which is forbidden and condemned with God's "double punishment" in Revelation chapter 18 in the Holy Bible.**

**As Sen. Ted Steven warned, Congress is eventually going to be merely a "rubber stamp," for foreign laws written by government agencies and foreign governments and the United Nations. "Figure Heads, Pro-Forma, Deemed-Passed!"**

## Christian America Constitutional Amendment Is The Only Solution

**Putting Government on "automatic" bureaucracy, ruled by agencies, committees controlled by professional staff, reducing the Congress to usually talking ideologues with little capacity to think and reason out the long term implications of their policies, appointments and laws.**

**The Bible condemn's people becoming "unreasonable animals." Today no competent thinking necessary in Congress, no reading of bills, and no Christians allowed, unless Christians leave their religion at the door, only rubber stamps need apply for Federal office as the government uses all the media to disinform and turn the public opinions against Christians in government, (disinformation about the "economic recovery" of the economy when free-trade makes recovery impossible, aside from infinite increasing the National Debt), including deceiving the christian news media as they usually parrot the New York Times and 200 other national editors that control most of the "secular media," that are in bed with the CFR,**

**Brookings Institution and others that are ALL secretly taking all of the legal rights of the American people away through the means of international treaties, laws and regulations of the United Nations World Government.**

**WARNING "DO NOT NEGLECT SO GREAT A SALVATION" for yourself and for the nation. God does not make empty threats, an eternity of suffering is a high price for national adoration for going along with the "Pat" Robertson plan for opposing King Jesus and as a result destroying almost all the souls and minds of the American people in the state indoctrination centers of public education in a mix of four major modernized religions:**

- 1. Evolution of Life, an anti-science religion from Egypt. (also from Charles Darwin who was influenced and taught by his grandfather)**
- 2. The Religion of Secular Humanism and related religion of Atheism which was also legally defined as a religion by the U.S. Supreme Court which man's thoughts is everything that is, and God is marginalized or eliminated from all considerations of culture and government education and policies... There is no**

**“right or wrong” as the Head Start preschool children are brainwashed so to eliminate their conscience, only choices...**

- 3. "The New RELIGION of CIVIL GOVERNMENT" which instead of the worship of Caesar, today the Supreme Court, Congress and "the office of the president" are worshipped and obeyed far above King Jesus The Lawgiver of righteous laws who is persecuted and banned from government and schools in all meaningful ways. There is an absolute ban of influence of churches in government, although the religion of Civil Government intrudes more and more into the lives of Christians in many conflicting ways. The Religion of Civil Government transcends all cultures and religions brainwashing the children to believe new lies, trying to break free the children from the devils that control the parents, yet without King Jesus, the newly taught school indoctrination only brings new paradigms of lies with sometimes new demons, as the demons take hold of the places the lies have made in the minds and souls of the children, taking the nations into darkness as it did with ancient Rome... The Bible commands, “speak truth to one another” and Jesus said “I AM the**

**TRUTH.” God uses Truth, and respect for the relevant facts to build eternal character and attributes, while the schools indoctrinate with lies, elimination of the facts of evolution of life and morality and instead teaches and gives place to lies that eventually spread corruption in the children’s character and eventually destroys their souls in most cases... God and Jesus have made Truth the bedrock test whether Christians are suitable for heaven as Jesus said we would be similar to the angels. The angels function on absolute truth in the presence of the Holy Spirit and Christians are required to mature to function in absolute truth, literally hearing the voice of God, as Jesus said “My Sheep Hear My Voice.”**

- 4. The religion and idol of greed of predatory capitalism, “selling men’s minds, souls and bodies” for money as in globalism, free trade, television advertising for example. The USA and Canada use to have decent moral programming in the past until Congress globalized the media to be corrupted by absolute capitalism by treaty, and so the media networks decided to push the leading edge of the envelope of moral and cultural corruption around the souls and**

**minds of the public and children until they were almost all totally corrupted today. The nation takes the nations by using the moral rot of capitalism in the media, into the eternal night of the kingdom of darkness in a “new dark age.”**

**By Opposing the rule of King Jesus and His Kingdom on Earth in civil government, "Pat Robertson" is largely responsible their treason to King Jesus, by leading the lawyers away from King Jesus in Law.**

**By choosing the Babylon polytheism in law, it has made it relatively easy for the takeover the USA's government by God's enemies, a one-way trip down “the broad way of destruction,” forever it would seem, unless you act and raise up an army to "fight the good fight of faith" for the [www.ChristianAmendment.com](http://www.ChristianAmendment.com) that is the **ONLY WAY** to override the wayward judiciary and Congress and eventually bring back God blessings to America.**

## Christian America Constitutional Amendment Is The Only Solution

**Now, and forever it would seem, God has removed His blessings the USA, and His hand is AGAINST THE UNITED STATES unless He has reason to show mercy such as "ten righteous men" appearing before Him in Christian leadership in government (or whatever number of righteous men He demands for to turn His terrible Judgment from the USA.**

**Non-christians like to deceive themselves, that Christians are "intolerant," however King Jesus is the Creator of the Universe who gives grace and blessings when He is honored as the King of kings, those blessings and grace are needed by those of other religions also.**

**King Jesus is prejudicial just as math tests are prejudicial, truth brings salvation and lies bring damnation... Giving God the "right answer" is required by human teachers and by God who is holy. Lies of false religions are unholy and bring eternal suffering as Jesus said...**

**When non-christians gain control in the United Nations, the evil of government escalates into persecution and suffering to the harm of all religions... “The United Nations is a Dangerous Place” as ambassadors of the USA to the United Nations have said. The tenet doctrine of the government religion of civil government that everyone can become part of the “Family of Nations” is the doctrine of demons and the disregard of everything that history has recorded in such matters of government. The “Family of Nations” doctrine of the Congress and U.S. State Department is truly the “doctrine of demons.”**

**“Absolute power corrupts absolutely” will become the nightmarish reality the United Nations will eventually become... God’s enemies will rule the United Nations World Government whether the Brookings Institute or Council of Foreign Relations want to acknowledge that nightmarish truth or not. Money rules in global capitalism, and once the USA loses most all of its money as the Fed uses deception as “Quantitative Easing” to destroy the future prosperity of the USA and to bring the final disgrace of bankruptcy to the USA by exploding the growth of the money**

**supply, the general standard of living will permanently fall gradually to third world levels for most Americans...**

**Christians like to quote "we are not children of (God's) wrath." However that presupposes that there is honest repentance by Christians who decide to stop opposing King Jesus and stop opposing Christian Laws. God and Jesus Christ is the Lawgiver, and to refuse to accept His laws is to refuse to accept His blessings now and in the life to come...**

**The USA government will survive as a fragmented third world group of governments along with the international corporations as the U.S. State Department told Mexico's President they could have the SouthWest United States that belong to the USA back as part of their "nation," if the people willed it and voted it so.**

**International corporations will remain globally "prosperous" in the global chaos and evil of "free-trade.**

## Christian America Constitutional Amendment Is The Only Solution

**The American people themselves will gradually fall to poverty and third world status. It is the plan of the CFR, The Brookings Institution and almost all of the world's leaders. Brazil and a handful of other nations are still resisting the g l o b a l insanity of**

**turning their national sovereignty over to their enemies in the U.N. World Government and New World Order... However as doctrine of global government is spread by devils in government, their resistance to evil government will eventually fall...**

**The dominant State GLOBAL RELIGION is ROMAN CIVIL GOVERNMENT as Thomas Jefferson warned it is NOT secular.**

**“The New Religion of Civil Government” is a hostile religion to King Jesus and Christianity because of its state polytheism and worship of government and man’s laws above God’s laws. Polytheism destroyed ancient Israel and polytheism is destroying the minds of the USA.**

**Washington D.C. changes people because they worship lies of the "Father of Lies" and become controlled by demonic influence as they worship the false religion of "Civil Government." The state religion, the world religion of "Civil Government" is NOT secular but a religion of the worship of demons from the ancient Roman Civil Government. The religion of the "Family of Nations" and Civil government has written they may "normalize" the children and future generations by trillions of dollars of global police enforcement and educational systems.**

## Christian America Constitutional Amendment Is The Only Solution

**For example, it is believed Iraq and Afghanistan may be normalized and moderated enough to eventually join the "family of nations" in the New World Order in several decades of indoctrination, as Turkey is today by only murdering evangelizing Christians and missionaries as time passes.**

**Afghanistan and Iraq may eventually cost the U.S. Treasury twenty-five Trillion Dollars over the coming decades of warfare, ultimately using the public schools to prevail against Islam enough to become "moderate" politically as Turkey has become moderate and all the other muslim nation military ruled nations... In reality, because the public schools do not teach the truth, the demons of Islam are not replaced with moderation and truth and only military dictatorships, and martial law sustain the rule of Muslim nations, with brief moments of democracy, which end by installing martial law again.**

**In summary, “madness-insanity” and the worship of demons and futility has gripped the minds and souls of the nations’ leaders as they continue to rebel against King Jesus Christ.**

**The State religion of Civil Government tenets include the indoctrination of the children so they will not include the mistaken ideas of their parents. In the USA, replacing Christian ideas with the doctrine of demons that ruled the Roman Empire is the case for most children.**

**It would be good if the public schools stopped teaching the dead language of Latin (as well as the demons of the Roman civilization, that result in toga orgy parties and other sinful behaviors and ruined lives) and taught biblical greek so Christians may better understand the Word of God.**

**For example, by teaching the tenets of the Religion of Civil Government, the State Department’s diplomacy includes much rhetoric trying to eliminating the “Cold War”**

## Christian America Constitutional Amendment Is The Only Solution

**ideas using the religion of Civil Government as the replacement worldview instead of the Cold War worldview, such ideas may be changed by propaganda in education, such ideas as enemy nations as China will become part of the “family of nations” spoken about in Congress and not continue to build strategic military capabilities to destroy the United States as the facts show they continue to do so. China and Russia includes massive WWII military modernization dedicated for the destruction of the USA and other nations that dare to oppose their ungodly ambitions.**

**Russia relentless builds toward their “destiny” as believe for global domination, and the USA does everything possible to make that terrifying possibility a reality through by building Russia’s war making capabilities with “free trade” and the religion of Civil Government brainwashing.**

**Our leaders seem to incapable of any righteous laws  
righteous policy or to care about the facts.**

**o r**

## Christian America Constitutional Amendment Is The Only Solution

**Figure head politicians, “Talking heads,” that are puppets of the government staffs, ideologues willing to talk, but not willing to listen, to think and reason in a godly manner is required of leaders.**

**There is plenty of truth and helpful information on my website, help yourself as it is almost all public domain, except for the free commentary written about the Book of Revelation that has copyright restrictions.**

**It is ONLY your stubborn hearts that need to repent and be softened toward the love and freedom of King Jesus Christ who is now ruling the nations on earth now, for good or otherwise. God and Jesus Christ who is making the nations His footstool, including the USA if you fail to act righteously. First Corinthians chapter 15.**

## Christian America Constitutional Amendment Is The Only Solution

**The Christian America Constitutional Amendment is the only answer and effective solution for government, with no religious test other than a short faith statement according to freedom of conscience, or lack of it by holders of office, depending upon the quality of Christians you and your children choose to elect to rule you in government leaders, as a free nation, and not under the growing tyranny of your enemies. ONLY by allowing the Creator of the Universe to help rule and guide the minds and souls of the leaders may God's Truth and grace rule the nation.**

## Christian America Constitutional Amendment Is The Only Solution

**The foreign laws and regulations are already being made U.S. Law as they are published in the Federal Register of new laws and regulations by treaty. The United States' time to act as a sovereign nation has run out... America's leaders were very foolish to listen to the Christian Lawyers who wanted polytheism in law in the RELIGION of Civil Government as Thomas Jefferson, which includes the grotesque statue on the Capitol building called "Freedom Triumphant" which represents the anti-biblical lawlessness or as Babylon immorality of "anything goes" Roman law model that Congress has passed into law by giving us over to our enemies in the U.N. New World Order. Much more may be said of the betrayal of America's future by Congress.**

**Act now or be a hypocrite by default, doing nothing, and being forced to support global laws and polytheism in Civil Government instead of a Theocratic Constitutional Republic with freedom for all Christians.**

## Christian America Constitutional Amendment Is The Only Solution

**Jesus said "Love your enemies" and did not say to put your enemies in charge of a forbidden world government then have Christians constantly complain that your enemies in government and the schools are ruining your children and doing nothing practical such as changing the laws with the Christian Amendment to save them and your future. Amen**

**When Jesus said "Love your enemies" He did not mean let millions of enemies immigrate into your nation and make them your next door neighbors to corrupt your children and ruin the once Christian culture of the nation.**

**When Jesus said "love your neighbor" in was in the context of a nation of "believers." Your next door Christian is your neighbor. Other religions are usually your enemies and are not to be your next door neighbors, if the Lord wills.**

**When the government lies and says of the great economic benefits of immigrants, it is in the context of globalism, a world without borders, and a failing national economy. They bought a trillion dollars of now bankrupt real estate and now the culture and infrastructure is broken, with little repairs. In the religion of Civil Government, there are no borders, but a Star Trek type of government and freedom with people free to travel and move as they wish. An utopian ideal that is nightmarish in reality in its consequences to culture and to the future of the USA.**

**Only by massively increasing capital investment in manufacturing productivity may the general standard of living of the nation be made sustainable and actually increase by the means of manufacturing tax credits. Bringing immigrants in to take American jobs is only hastening the fall of the USA into the darkness of a third world nation generally.**

**Probably about 50% of the “higher” education’s college degrees bring NO PRODUCTIVITY in economics, but rather due to the paradigm traditions of government currently bring higher salaries, as they are given civil government “religious” preference, yet with NO additional economic productivity with all their public education in many cases. Just as waste of money.**

**As fiscal reality sinks in people's minds with the devastating economic destruction of "free-trade" over the years the paradigm of college degrees from the temples of religion of the educational system will collapse to global economic common denominators and norms of foreign nations that foreign products are imported from.**

**There are literally “NO-free-lunches” in economics. It is ONLY by empirical manufacturing productivity in addition to intellectual property as a small component that a sustainable higher standard of living may occur... Production of unique products help a little, but basically the economy is made up of average basic goods and basic services.**

## Christian America Constitutional Amendment Is The Only Solution

**The American economy is made up of mostly producing basic goods and basic services to sell which means growth! Replacing basic goods and services with foreign imports and immigrants means decline and a general reduction of the standard of living.**

**ONLY BY AN "AMERICA FIRST" national-economic-policy may there be hope for the future as God's Spirit turns our enemies passive in an increasingly dangerous world due to "free-trade."**

**Christians are just wasting their time if they fail to "fight the good fight of faith" for King Jesus instead of for government pagans and polytheism which is corrupting all the nations.**

**Christians better forget about an utopian "coming" heretical "golden age Millennium" as it is foolish biblical hermeneutics.**

**The free Book of Revelation commentary on my website written by Dr. David Chilton will give insight what the true interpretation of the Book of Revelation is for those who wish to be noble in the sight of God. [THE DAYS OF VENGEANCE Click Here to download your free copy.](#)**

**The "Millennium" is mentioned six times in Revelation, as that is the "Number of Man" in Bible typology and numerology which indicates it is man's hands whether the devil is locked up and the nation blessed by obeying King Jesus in government, or incur His wrath and the devils' schemes executed against the nation forever. No nation in history has rejected so much truth and facts as America, and as a result a far greater punishment will be against the nation for centuries to come... King Jesus would be happy to lock up the devil in the pit for a "thousand years," but the American Christians rebel and actually oppose Christian government and honoring the rule of King Jesus by passing godly laws so America will have a bright future...**

**Christian America Constitutional Amendment Is The Only Solution**

**King Jesus said "either you are for Me, or against Me." Stop opposing King Jesus in a Christian American nation by Law.**

**It is our duty to God to give Him good opportunity to bless us with our repentance for Him to rule with a sovereignty that prosperity and freedom in government and schools may be the children's resulting inheritance, instead of certain coming tyrannical government and poverty for centuries to come as the consequences of non-action. Amen**

**Grace, Blessings and Love Always in King Jesus the Master. Amen**
