

Pres. Obama signs "EXECUTIVE ORDER 12425 DESIGNATING INTERPOL AS A PUBLIC INTERNATIONAL ORGANIZATION ENTITLED TO ENJOY CERTAIN PRIVILEGES, EXEMPTIONS, AND IMMUNITIES."

This Executive Order makes it USA law for the European police agency INTERPOL which is given diplomatic immunity, sovereignty over ALL the USA to search and seize evidence etcetera, as part

of the Echelon Treaty and other treaty agreements and located their first office in Wash D.C. U.S. Dept. of Justice. Example: they give written warrant to Canadian based and sovereign U.N.'s USNORTHCOM which has diplomatic immunity, currently made up of the foreign coalition armies in Afghanistan, to visit your home and take you prisoner without authorization of the United States Government needed. All Habeus Corpus laws and constitutional rights are hereby suspended.

Then the foreign armies and

police agencies will eventually take the people to the concentration camps currently under construction in the USA. Draw the “dots” or facts together and you will begin to see the tyrannical future that looms darkly in the centuries ahead for the USA, or whatever is left of a broken, fragmented nation. Christians, by supporting legal polytheism of the religion of civil government as Thomas Jefferson said it was, have made Jesus their enemy in government by rejecting a Christian government and have turned the nation future and children over to God’s

enemies that eventually the nation would be sold to God's enemies economically and culturally destroyed to become a third world nation in the next few decades.

Although Executive Order 12425 is an amended Pres. Reagan Executive Order, it is so radically changed so to be actually a NEW amendment or disguised as a "wolf in sheep's clothing." Camouflaged as a Reagan law, but actually an empowering new law bringing the terror of the United Nations World Government to full power and legal authority

over the United States.

The ONLY effectively legal remedy and cultural solution is end idolatry of polytheism in Civil Government and return King Jesus to the government of the U S A by the

www.ChristianAmendment.com.

The Christian America Amendment is America's only effective legal remedy and hope for a better future for the children to be taught basic bible precepts as Thomas Jefferson did.

The choice is between a theocracy without a state church

and the religion of Civil Government and "Secular Humanism" where all nations will eventually be normalized, and rational "partners" in the future of mankind in the United Nations.

However history shows "absolute power corrupts absolutely." A government that worships itself will end up as evil and corrupted as Lucifer who worshipped himself and was cast out of Heaven.

The proposed Christian America Amendment will break all

unbiblical treaties and laws as the courts rule laws and treaties are unconstitutional with the aid of Godly Christian judges appointed in government.

As King David brought back the ark with God's special protection back to Israel, so also the USA must bring King Jesus into government to enjoy His protection from America's enemies in the U.N. World Government. Only with Jesus fighting for the USA instead of against those who will not let Him rule His Kingdom and government, is there a possibility

of victory for a Christian America.

This legal battle for America's future may ONLY be victorious with King Jesus fighting the battle instead of opposing the nation for rejecting Him in schools and government, so the nation will be damned for the next several centuries as prophesied and ruled by God's enemies. If you know what to do, and fail to do it, it is sin against God and treason against America. Give your all to the Savior Jesus Christ. Amen

The Holy Bible commands NO FOREIGN TREATIES WITH GOD'S

ENEMIES and to "redeem the time," and "fight in a manner so to win the battle of faith (paraphrased)." "Run in a manner so to win." Amen
