

King Jesus and Christian Law in Government

Christian Law in Government

God's Kingdom on Earth

Theonomy

The Christian America Constitutional Amendment Is The Only Solution if American Christians wish to support God and Jesus in their lives and in Government and save America's children.

The Christian America Constitutional Amendment Is The Only Solution For TRUE FREEDOM and LIBERTY.

The Christian Constitutional Amendment Is The Only Political Answer And Effective Legal Solution For FREEDOM and LIBERTY of ALL Christian Religions in the USA!

Many Christians have failed to understand the biblical precept that they are NOT suppose to oppose King Jesus and oppose His rule and as a result oppose a Christian Nation by Law- as Jesus said "either you are for Me or against Me!"

Who are the "holy ones," the saints with Jesus if they are not to also fight the good fight of faith and rule and reign with Christ Jesus on earth? Are there any "holy ones" in Christian leadership in America? The Bible has written God's people are ALWAYS EXPECTED TO FIGHT and NOT OPPOSE God's ruling and reigning the nation. God is always the same and ancient Israel had to fight for every square inch of the nation and today's Christians are expected to fight for every square inch of the nation of America while freedom of speech is still legal.

Without displacing the state established religions and implementing freedom of Christian beliefs without government dogma and interference, there is a nearly total genocide of all public school children's souls, damning them forever. Statistics show if children fail to receive the Holy Spirit by the age of thirteen, they never will. Total Genocide of ALL future generations in the USA is at stake.

Jesus said “My Sheep Hear My Voice” and Christians, if they listen to the Holy Spirit know it is God’s will for the USA to be a Christian nation by law so to save the children and save the nation’s sovereignty.

Christian America Constitutional Amendment Is The Only Solution to save the USA from the lunatic madness that has gripped its leaders to surrender everything, without the formality of foreign nations declaring war against the USA, “lot, stock and barrel” to the enemies of God and the American people, by guiding judicial philosophy by biblical principles according to the consciences of the judges.

“Law is a Religion,” a “belief system,” “a worldview system.” “Rule by Law came from the ancient Roman Emperor Augustus Caesar who spoke the phrase into being.

By disobeying King Jesus, Christians are effectively supporting legal polytheism in law to entice and to destroy them, and throwing the rule of the USA under God’s enemies in the United Nations World Government for centuries to come... Christians need to wake up! It is the total genocide of the eternal souls of almost all public school children. All the children being destroyed and ruined by the state religions taught in the public schools. The religion of civil government. Ancient religion of evolution from ancient Egypt. The religion of secular humanism.

As a typical example of Christian REBELLION to King Jesus, CBN's "Pat" Robertson has trained or misled almost all of the Christian leaders and Christian lawyers with the Christian Coalition, Regent University and the ACLJ and misled the general public fifty years with CBN to OPPOSE a Christian nation by LAW and support legal POLYTHEISM until a fanciful fantasy type of "Second Coming" of Christ occurs in the mythical future. The Christian Broadcasting Network, for all of its existence OPPOSED a Christian nation by law and oppose other Christian laws and oppose King Jesus ruling in a Christian government by law. American Christians regularly oppose King Jesus and instead support legal polytheism and sinfully do not ask political candidates to support Christian laws.

The 700 Club Host Pat Robertson, when running as a former candidate for President, said then and continues to say forever his words of rebellion, that he would oppose a Christian nation by law as all Christians in his sin of rebellion against God's Kingdom ON earth in America today.

If only if CBN's "Pat" Robertson could of repented fifty years ago of the supreme state "religion of civil government," when CBN began to broadcast, repenting of his opposing Christian laws, repent of opposing God's Kingdom here on Earth as it is in Heaven, then Pat Robertson could of transformed the USA's Christian Culture to make it the dominant world-view and culture, instead of the legal demonic (Babylon many gods) polytheism culture that is taking most of the children's minds and souls and foreign nations into the Kingdom of Darkness forever. Amen!

Fifty years of Christian broadcasting for Christian Law could of turned the USA from being thrown into the jaws of their enemies and Christians could of had a prosperous future with King Jesus ruling and reigning without having to stand outside the door of the halls of the U.S. Government.

Pat Robertson said Christians in politics are “losers” if they support Christian law and want a Christ-like politician to elect. I ask, is it better we lose all the children, lose the nation and the planet thrown into jaws of their enemies in predatory tyrannical world government?

The Christian America Constitutional Amendment Is The Only Godly Solution for Good Government. As the Bible warns, foreign gods do entice and captivate the minds, souls and bodies of the people working for them to ruin the nation and its’ future. “You shall make no covenant with foreigners or with their gods.

They shall not live in your land [nonchristian immigration to the USA should be banned] because they will entice and tempt you to sin against Me; for if you serve their gods, it will surely be a snare and trap to you costing your lives (Ex 23:32-33)."

Exodus 34:14-16 "for you shall not worship any other god, for the LORD, whose name is Jealous, is a jealous God- otherwise you might make a covenant with the inhabitants of the land and the people would play the harlot with their gods and sacrifice to their gods, and someone might invite you to eat of his sacrifice, and you might take some of his daughters for your sons, and his daughters might play the harlot with their gods and cause your sons also to play the harlot with their gods."

Romans 7:2 shows the law of marriage continues to be enforced by God as well as the rest of the Ten Commandments. (The Sabbath has been elevated to God's Sabbath Rest for the true spiritual rest of Christians (Hebrews 4:3-9).)

If Christians are led by The Spirit, then we are no longer under the law's authority. However in the nation, most people are NOT led by the Holy Spirit of God, and the Law of God is in effect:

Eph. 5:3

The Law of God

Codification of Law:	(non- codified)	Mosaic Codification of Law	Christ's Codification of Law
Content of Law:	Principles of Righteous ness Written on Heart	Commands of Moses	Commands of Christ
Covenantal Framework:	Adamic (?)	Old/Mosaic	New

Subjects of Law:	All Men	Israel	Church
Time Frame:	Adam to Exchaton	Moses to Christ	Christ to Eschaton

To bear one another's burdens is the fulfillment of the law (Ga 6:2). A little Christian socialism, redistribution of basic welfare through government, as some are military, some medical and some education bear great responsibilities and burdens and the Christian Taxpayers are required to bear each other's burdens through wise stewardship of the nation's resources in government. Isaiah 9:7

Just as the physical laws of the universe continue in effect so the Law of God continues in full force. Amen

Many children could of been saved from the power of the Kingdom of Darkness if they had not been enticed with the occult books in school libraries and other seductive gods in the media that work to turn the children from God and from eternal life. The children are being trained as Congress who does any fool thing that the devil puts into their hearts and minds to do, to betray the American people and be traitors to God and throwing the nation's sovereignty away so the nation's enemies may rule for coming centuries.

Thinking is the hardest work there is, which is probably the reason why so few engage in it.

Henry Ford

Much good progress could of been done to save the minds and souls of the children and nation with CBN's broadcasting with Regent University's endowment of billions of dollars of assets including media networks such as television's USA network to proclaim the gospel of God's Kingdom of what the USA could of become as a Christian nation with freedom and liberty and most important having God's Blessings.

With CBN's billions of dollars of television media to proclaim the Truth of God's desire for America to become a Christian nation, the American Dream would become a reality again...

Since M.G. “Pat” Robertson was the primary “Judas Goat” leading and deceiving the Christians to oppose God’s Kingdom on earth in government and in the public schools so to support legal polytheism, Pat Robertson will have the greater judgment from God and Jesus. Amen

**Instead of teaching the children to save themselves to Love God and accept Jesus into their hearts and teaching them to not give in to pressure, but by submitting to God and rebuking the devil, the children are taught to serve lies where the “Father of Lies” take place in those parts of their lives and works them to eternal death!
Mt 4:10 Then Jesus *said to him, “Go, Satan! For it is written, ‘YOU SHALL WORSHIP THE LORD YOUR GOD, AND SERVE HIM ONLY.’”**

Isa 42:4 “He will not be disheartened or crushed, **Until He has established justice in the earth; And the coastlands will wait expectantly for His law.” God and Jesus works to establish justice, and nations as the USA wait expectantly for His law today. It is high time American Christian establish Christian Justice and bring His Law to the USA. Leaders **MUST** stop opposing Christian Law **TODAY!****

Ro 13:4 “for it is a minister of God to you for good. But if you do what is evil, be afraid; for it does not bear the sword for nothing; for it is a minister of God, an avenger who brings wrath upon the one who practices evil.” Civil Law is **ORDAINED by God and those who carry it out are **MINISTERS OF GOD**. God’s civil law is for those who practice evil. That is why the television and radio public airwaves and terrestrial broadcasters in the media should be **“G”** general audience rated **ALL OF THE TIME**, so good and not evil will be learned and practiced by the general public who are influenced by the general media. For the U.S. Congress to sell the lightwaves to sin is great sin against the God of Light and results in the moral corruption and ruin of the American people and the children.**

Jesus spoke of God's Kingdom more than any other subject and doctrine as recorded in the gospels. For knowledge of the Lord to cover the earth the kingdom cannot be "Secret" as Pat Robertson writes, but as Christians are "living epistles" known and read by all men, shining as "a city on a hill" God's Kingdom must be the testimony and witness of all Christians... Matthew 5:14 Jesus said, "you are the light of the world, a [shining] city on a hill." You are a "lively stone" of New Jerusalem and Jesus reigns from you shining forth His light now!

Go therefore and make disciples of all the nations, baptizing them in the Name of the Father and of the Son and of the Holy Spirit, teaching them to observe everything that I have commanded you.

Matthew 28:19-20a
The Great Commission

To make disciples is to teach on the Kingdom of God on Earth as it is in Heaven is for today and work to establish His Kingdom as you honor His Holy Spirit above your desires. Be led by the Holy Spirit. "As many as received Him, to them He gave the right to become children of God, even to those who believe in His NAME (John 1:12)."

Instead of OBEYING King Jesus, America's Christian Leaders deceive themselves and oppose the most IMPORTANT doctrine of God and King Jesus of His rule and reign on earth today, the Christians refuse to repent of their deceptions and stupid ideas instead of obeying God in TRUTH.

Jer 31:33 "But this is the covenant which I will make with the house of Israel after those days," declares the LORD, "I will put My law within them, and on their heart I will write it; and I will be their God, and they shall be My people." If American Christian Leaders want God and Jesus to be their God, they need to let God write His LAW on our hearts so Jesus may effectively rule and reign the USA today. It is clear that man who made in the image of God possesses an intuitive awareness of at least some of the requirements of God upon him. This is "what may be known of God [that is] manifested in them" (Rom. 1:19). This is how Paul can say of pagans that they "Do by nature the things contained in the law" and do good things according the "the law written in their hearts" or "conscience" (Rom. 2:14-15; cf. vv. 26-27). This "law written in the hearts" constitutes a rule of life given to them by God. God's Law is written on the heart of the New Covenant believer (Heb. 8:10). Christians are bound to OBEY the LAW OF GOD WRITTEN ON OUR HEARTS, or it is sin. To set up a civil polytheistic government and silence King Jesus and God Almighty is sin.

**THE TEN COMMANDMENTS COVENANT IS WRITTEN ON OUR HEARTS TODAY BY
THE "FINGER OF GOD."**

The Ten Commandments (Exodus 20) are mandatory law and remain law in the New Testament leading us to Christ who is the fulfillment of the law.

Just as a airport runway lights and guides airplanes to a safe landing, to the terminal building and the end of the journey, Christ Jesus is the end of our journey and to be in Him and bound to His desires which include LAW and ORDER. The Christians today need a code for a standard of conduct; for the law of God reflects eternal principles of righteousness and Law that are ALWAYS BINDING. Just as the law of gravity and the universe, God's Law is always binding and in full force of the Law.

“Grace and Truth came through Jesus Christ” and God's Law for human domain endures forever! Amen

The Mosaic ceremonial law was “types and shadows” of Christ Jesus and the substance of Jesus the Messiah who “cast the shadow” appeared giving us the New Covenant and as a result the “types and shadows” of the Old Testament are done away with.

The Christian America Constitutional Amendment Is The Only Practical Solution to obeying King Jesus in working with Him to establish God's Kingdom on earth as the early American Colonies tried to where the original states were almost all Christian by LAW and Christian Constitutions.

More than any other doctrine, Jesus preached more on the Kingdom of God, the coming Kingdom of God and His soon coming kingdom, which was near while He ministered before the cross, then after the cross the Kingdom of God was in us and to be established on the rest of the earth as it is in heaven and of His coming kingdom, [Jesus received His kingdom from His Heavenly Father a few days after the cross when His throne was set up, book of Daniel 2:44. Jesus rules the nations now and He is now making His enemy nations His footstool to set His Feet upon as written in 1 Corinthians 15:23-26.] Until the last enemy of death itself is abolished, as the saints are given new bodies and eternal life. Therefore Christians must let Christ rule now as in eternity “God may be all in all.” Christ MUST RULE UNTIL the “Last Trumpet” the N.T. has written. Until that last trumpet call by God’s Angel, Christ is ruling and reigning over the Kings of the Earth today.

America’s Christian Leaders MUST REPENT of opposing the ruling and reigning of Christ on earth today and MUST instead choose to RULE AND REIGN with Christ Jesus in government working to establish Christian Law as U.S. Law.

Either the rule of Christ on earth is a foolish mere fraction of a second at His “second coming,” or He has already come, circa 70 A.D. and is here right now and rules and reigns over the kings of the earth right now at this time which of course the latter is the Biblical and Absolute Truth.

Either American Christian Leaders want to be God's enemy as Christ Rules Now or Christ's servants carrying out His Will and working to make God's Law U.S. Law today.

Revelation 1:5 "Jesus Christ, who is the faithful witness, the firstborn of the dead, and the ruler of the kings of the earth." Before King Jesus even speaks to the churches in the Book of Revelation He is ALREADY ruling and reigning then, two millennia ago and today Christ Jesus continues to reign while America's leaders work the children to believe lies and accept demons in their lives instead of God.

"Freedom of Conscience" does not mean "According to the dictates of one's own (deceitfully wicked) heart." As King David obtained "God's own heart" in his life, so we are to pray that we obtain God's heart as our own in our lives. Amen

When Jesus said "suffer the little children" in the KJV, He did NOT mean destroy their minds, hearts and souls in the public schools.

Mt 19:14 “Jesus said, Suffer little children, and forbid them not, to come unto Me: for of such is the kingdom of heaven.” The USA government says “forbid the children to pray” and let them not call upon the name of Jesus to be saved, the ONLY NAME under heaven men may call upon so to be saved.

The Christian America Constitutional Amendment Is The Only Solution to let King Jesus rule America and save the nation and save the children’s future.

The Bible is consistent, Jesus is ruling and reigning right now (Rev 1:5;1Cor 15:25). The current grammatical tense is continuing action, aorist in the greek, ruling right now, Jesus is actually ruling the nations, now at this time, which was written before the 70 A.D. destruction of Jerusalem. That grammar includes now at this time in the twenty-first century.

The problem is, Christians are not willing to let King Jesus rule, now at this time, nor allow King Jesus to rule in the future if they do not repent and allow Him to rule their hearts and minds now at this time. In fact, the laws of the USA forbid even the speaking “the Name of Jesus,” in most public venues. The Bible warns this is a fatal mistake as this is the ONLY NAME of GOD, the name of Jesus, that men may call upon to be saved (Acts 4:12)! The USA laws essentially forbid men, women and children from saving their eternal souls, now and for eternity. Unless the laws are changed by the Christian America Constitutional Amendment...

Though the people do not necessarily understand, the demons understand that control and manipulate them to force them to BAN the NAME OF JESUS so all appeals to God will end and NOBODY will be SAVED, men, women and children. It is the plan of the U.S. Government that there be NO SURVIVORS when the nation falls to its enemies in the U.N. World Government.

The planners of the educational system have planned and executed the plan of the eventual TOTAL GENOCIDE of CHRISTIANITY, eliminating everything Christian, Christian thought, books and eventually the media will be closed to the gospel of Jesus Christ according to a prophet of Jesus. Christianity is the enemy of polytheistic world government, when Christians listen to God.

The Barna Research Group statistics show the 94% of the public high school graduates do not believe in the Bible. The public schools effectively committing the TOTAL GENOCIDE of the minds and souls of almost ALL Christians. 83% of the Christians who enter higher “education” end up losing their salvation and their eternal souls.

Almost all Christians who enter higher education, 83% of Christian students, lose their salvation and no longer continue to believe in God and Jesus by the time they graduate. The state established religions use demonic pressure, peer group pressure and lies, falsehoods to entice and damn the souls of almost all Christian students in America. Unless the law is changed there is NO HOPE for the salvation for future generations with only a small remnant surviving until eternity.

Zep 3:4 The nation’s prophets are reckless, treacherous men; Her priests have profaned the sanctuary. They have done violence to the law.” Today the Congress have defiled their hearts and corrupted the people of the nation in the name of “freedom” or more exactly as the goddess of lawlessness statue on the U.S. Capitol Dome they have established every kind of demon and devil on charge of the public airwaves so to promote immorality and the ruin of the nation and the damnation of the minds and souls of the children.

The ancient nation of Israel was not merely the Jewish people, it was an actual nation that existed in history. Christ's ruling smashing the nations in the Book of Revelation is not merely spiritual, but actually has happened a number of Christian nations have been born as recorded in various times in history. "Times and Seasons" Acts 1 and not just one fantasy Millennium as the USA descends into darkness.

Christian America Constitutional Amendment Is The Only Solution to extend the life of The United States of America. According to TBN's prophet Kim Clement, "There will be a war to punish the USA in twenty years," 2041 A.D. "The life of the nation will be taken." Amen

For the U.S. Congress to turn the defenses over to America's enemies in UNCOM and NATO will eventually prove to be a FATAL MISTAKE of infinite lunatic stupidity as the United States dies in flames and radioactive ashes.

Nations are both temporal, temporary and spiritual, for good or for evil as the USA has become, deceiving and taking ALL the earth's nations eventually into the kingdom of darkness under the UN World Government with the survivors of the war to be ruled by God's enemies for centuries to come...

Christ must rule both in our hearts and expressed through our minds, hands and temporal works and collective accomplishments including in government. Christ rules today, not merely in spiritual matters, but in temporal matters making the enemy nations His footstool at this time according to the Word of God, 1 Corinthians 15. By failing to disciples the nations as commanded in the great commission of Christ, and instead proselytizing the nations for the gods of Rome in civil government the USA has earned its ruin and destruction many times over.

In the Book of Acts chapter one Jesus does not answer His disciples with a rebuke. For His Apostles were trained and knowledgable whom He had patiently taught for years about the coming Kingdom of God. The Apostles correctly wanted national sovereignty of Christian nations that obeyed God and were especially concerned about the possible actual restoration of national Israel at that time, which remained under the tyrannical rule by the Roman Empire (Acts 1:7).

Today the Christian America Constitutional Amendment Is The Only Solution to restore God's Blessings upon the USA.

Else-wise, as nations historically have gone mad, such as ancient Israel' rejection of God's Messiah, The Roman Empire went mad, also Germany under the NAZI's so the USA's leaders have gone MAD in order to avoid nuclear war, they have decided to "skip the war part" and they are going to surrender everything the USA has to the nation's enemies around the world and let them have absolute authority eventually in the U.N.

Letting your enemies have control and eventually ownership of everything is the U.N. New World Order solution of Congress as they have gone mad to deceive themselves and "make believe" everything is going to be alright. When the truth will stand in stark contrast forever. Being lunatics and giving away the nation to its enemies will NOT save Christian Leaders who support legal polytheism so the nation goes mad and the children are corrupted and their souls damned.

In Acts 1, after the Resurrection of Christ, For FORTY days of intense teaching on the subject and doctrine of the KINGDOM OF GOD, the disciples then being highly expert in the subject of God's Kingdom on earth asked Jesus if now the political sovereignty of the ancient Israel was to be restored and the Romans sent packing back to Rome. A political nation on earth was the correct CONCLUSION of the Apostles and Jesus Himself held this view there would be political Christian nations throughout history.

Jesus answered the Apostles' question in Acts 1:6-7 that He, the Son of God, did not know personally when or if God that would set up a sovereign political nation of Israel, but emphasized there would be multiple political nations by saying there would be "times and seasons" using biblical "empire and nations rising and falling" SYMBOLIC language to emphasize there would be a number of Christian nations in the future to believe for that would eventually exist, such as the eventual conversion of the Roman Empire to Christianity several hundred years from that time at the ascension and enthroning of Christ. For Christians to oppose a political Christian nation on earth today is GREAT SIN AGAINST JESUS CHRIST.

There are two types of nations, Christian nations and enemy nations, better make a Christian American nation your choice today!

It was true mercy and grace of God to hand the entire ancient Roman Empire, "on a proverbial silver platter," to the Christians, but as ancient Israel they again played the harlot against King Jesus Christ in government and a short decade later the Roman empire's persecutions of Christians began again... Then came centuries of the infamous "dark ages" until the early Christian States of the United States were almost all Christian by Law. Then by God's grace, the Roman Empire returned to be ruled as a Christian nation and the persecutions ended in 380 A.D.

The USA Constitution's polytheism legally mandated "freedom" of all religions ensured that eventually, over the centuries that, ALL Civil Rights and legal Freedom's WERE going to be LOST sometime in the twenty-first century as God's enemies banned King Jesus and moral laws and embraced their enemies in World Government and World Law.

The super arching World Law of the U.N. Charter forbids religious proselytizing which eventually means no religious broadcasting and no freedom of speech eventually as USA Laws are brought into alignment and conformed to World Government Laws as the treaties require that the U.S. Senate have ratified to date. The Bible FORBIDS TREATIES/covenants with pagans. Ex 23:32;34:12;34:15;De 7:2;Jud 2:2.

God's graciously gave centuries of time of more mercy to AMERICA and now is the time of the FINAL WARNING as the whole world moves into the final kingdom of darkness, as ALL national sovereignty is being gradually lost to the growing tyranny of the United Nations World Government. No nation will EVER escape the darkness once Congress closes the trap for the earth's nations with its' globalism policies.

Christian America Constitutional Amendment Is The Only Righteous Solution to keep the U.S. Constitution Bill of Rights Freedom of Speech and Freedom of Religion.

The Sin of Unbelief damned ancient Israel under Moses in the Wilderness of Sin to God's Wrath, (Hebrews 3:11). Today's sin of Unbelief of the American Christians to "enter the Promised Land" of a Christian Nation with all the freedoms, liberties and blessings of a Christian nation that America should righteously become.

The rejection of God's Kingdom on Earth in a Christian nation is why God is damning the nation (God's Judging of America!) and He is also judging the American Christians today (1Peter 4:17).

Christians are still bound by the LAW OF GOD written on our hearts and the consequences are the same: Le 26:25 "I will also bring upon you a sword which will execute vengeance for the **covenant; and when you gather together into your cities, I will send pestilence among you, so that you shall be delivered into enemy hands (U.N. World Government and U.N. Command Armies)."**

Ex 34:28 “So he was there with the LORD forty days and forty nights; he did not eat bread or drink water. And Moses wrote on the tablets the words of the COVENANT of God, the Ten Commandments.” The covenant of the Ten Commandments remains in effect today and it is written on the wall of the U.S. Supreme Court.

The Christian Lawyers led by CBN’s Marion "Pat" Robertson has sinned severely- so greatly sinned that now almost ALL the nation’s children have their souls and minds damned in the public educational system by state indoctrination of POLYTHEISM, the public schools are true "State Temples of Religion." It is a violation of God’s COVENANT written on our hearts. Pat Robertson’s personal “excuse” is his dad was a U.S. Senator who worshipped Civil Government and the New World Order and also the educational system brainwashed him to oppose the reality of God’s Kingdom on earth for all of Pat’s life. The Bible has written “You are without excuse!” However circumstances and education affects one’s outlook on life and world view. Pat Robertson’s world view and eschatology is “Come World Government” instead of establishing God’s Kingdom on earth.

Burning down the USA by hyperinflating the money supply and throwing the people into the jaws of their enemies in the U.N for global socialism to equalize the have's and have not's, to equalize the rich and the poor so no one has anything except the privileged autocrats in the tyrannical world government.

(Nero Caesar Obama plays violin while the USA is “burned down” to third world status so America loses its' sovereignty and its' enemies will have eventual complete control. The pagan Jefferson Memorial is a replica of worship temple Roman Pantheon of all gods)

God is emphatic and demanding, “If you Love Me you will OBEY ME!” The price of rebellion is God’s statement, “if you will NOT have Me rule over you then your ENEMIES will rule over you.” The American Christians have foolishly rejected King Jesus ruling in Christian Law, deceiving themselves about a fanciful “second coming” theology is that is heresy.

The Christian America Constitutional Amendment Is The Only Solution as it breaks all nonbiblical treaties so America can once again rise, if God wills, to be a blessed nation above all other nations.

Pres. Thomas Jefferson warned the Virginia state leaders the choice in government was NOT SECULAR versus religion, but was actually the legal installation of a new state religion to replace Christianity, “a new religion,” an adversarial polytheistic religion, by saying, "I have turned them from Christianity to a New RELIGION of Civil Government."

By being an adversary of a Christian nation, Thomas Jefferson became an enemy of King Jesus by installing God’s enemies, gods of the ancient Roman religion of Civil Government, as “the law of the land.”

Polytheism versus Monotheism, Polytheocratic and demoncratic versus a Theocracy, potentially including all the pagan gods of the middle east and the gods ancient Rome of the religions worshipped in the USA as the statue upon the U.S. Capitol Dome, the goddess “Freedom Triumphant” representing “anything goes Babylon” type of lawmaking (greek anomia: lawlessness, ignoring God’s laws and desire for good government). By bringing in pagans and other immigrants hostile to God and Jesus and legalizing all foreign religions, the USA has finally become the demonic cesspool the Bible warns would be the result for believing nations, that knew better, that formerly knew the truth and then rejecting the truth and turned against Him.

The USA once believed in God and Jesus, but today it has an official religion of the “sin of unbelief” and scorched earth policy in law against religious expression in almost all public venues. This is due to the Civil Rights Act of 1964 prohibiting evangelizing in the “workplace” and the Supreme World Law of the U.N. Charter that prohibits proselytizing other religions. Silence for all non state religions is the World Law and yet the Christians demand lies instead of the truth of the Holy Spirit and the Holy Scriptures. The genocide of almost all future Christians is an accomplished fact, according to statistics. Silence is treason against God and against the nation. Laws against praying, laws against evangelizing, laws against teaching the truth and facts in the classroom, destroying the children’s souls.

Eventually the scorched earth policy against all public religious expression in the name of “secularism” will silence the Christian Broadcasters from the public airwaves (except for the state religions of civil government, evolution of life from the simple to the complex, secular humanism as judged by the Supreme Court, and the predatory capitalistic religion of “selling men’s minds, souls and bodies” condemned in the Book of Revelation.

Though Christians blame the courts, it is actually the U.S. Senate and Presidents that follow through with forbidden treaties as defined by the Bible, leaders becoming as rubber stamps of the U.N. World Government putting foreign laws into USA common law.

Thomas Jefferson warned everyone that he openly opposed a Christian government by advocating an adversarial new religion of "Civil Government."

The Christian America Constitutional Amendment Is The Only Solution to end hostile pagan immigrants entering the USA as a 5th Column of enemies to corrupt and ruin Christian society and government. Islam is a malignant cancer that will grow to destroy the entire earth in time, unless Christians choose to repent of opposing the rule and reigning of Christ right now over the nations of the earth.

“The New Religion of Civil Government” is an ADVERSARY to King Jesus bringing legal polytheism and the worship of all religions to bear against the people by the phrase “freedom of all religions.” As a result of turning the American people over to demons there is NO HOPE FOR THE FUTURE OF THE USA.

Though the new American nation was almost all Christian for those who voted, the Government Public Schools gradually turned almost all the children against God and Jesus as the centuries passed.

Today the media, television, radio, print, are still available to proclaim the truth and with all the opportunity on the internet, the Christians continue to “harden their hearts” to rebel against King Jesus and His Government/Kingdom today and probably will do so forever as they refuse to establish God’s Kingdom here on earth as the Holy Spirit leads as God has commanded.

Instead the American Christians prefer to do nothing and say it is God’s will for all of their enemies to rise up and ruin and destroy the children and the nation. It is NOT GOD’S WILL for the American Christians to do nothing, to sin in apathy while the TOTAL GENOCIDE of Christianity of future generations takes place!!!

American Christians have greatly sinned and will be greatly punished according to the degree of the crime of turning the nation over to their enemies and against future generations.

The Religion of Civil Government is a white-washed government religion derived from the roman civil government model that poorly "worked," in a manner of speaking, for centuries. Just as ancient Rome result in a despotic dictator under the religion of Civil Government, so the USA is being turned over to the despotic tyranny of the U.N. World Government.

Christian America Constitutional Amendment Is The Only Solution to reverse many legal precedents against King Jesus and against His Kingdom on Earth by Congress and the courts. Christians will note Civil Government is the form of government that Christians were persecuted and martyred and murdered by a maniacal government for centuries. As a result, essentially the same model of government will result in repression, persecutions and murders of the saints, as the USA's concentration camps under construction tacitly warn those with "ears to hear and eyes to see" who the future holds...

As history repeats itself for those who fail to learn its lessons, the treaty and Presidential Order has been signed for foreign armies to come in and fill up the concentration-camps in America which are already under construction in the states, destined for those who oppose the U.N. World Government...

Jesus said “Work for the night is coming” and for Christians to be in “denial,” so to do nothing, while their neighbor’s children are being destroyed in the schools and the nation is ruled by traitors for U.N. World government but only pray is sin. What is not of faith is sin, and the Christians know they need to do something and not resist the will of God in schools and government.

Christian America Constitutional Amendment Is the Only Effective Solution to turn the school children to God’s light and His truth and to allow school children to say a prayer in Jesus Name so to be saved.

To do nothing is to damn the children in the public schools to ungodly peer pressure and relentlessly push them through “the Gates of Hell” into the Kingdom of Darkness and eternal suffering. Martin Luther of the Lutheran Church feared the schools would become instruments of the “Gates of Hell” and his FEARS have fully realized and come into being with the Trillion Dollar annual budget of the USA indoctrination schools of the government educational system.

“Faith without works is dead,” and those who refuse to do the work of the Holy Spirit in government and save their nation and their neighbor’s children is sin against God. “Faith” is a verb, Faith requires action. Work today to save the children and work today to save the nation with the www.ChristianAmendment.com.

The USA leaders are so deceived now as to think the enemies of God and Jesus will be an acceptable form of world government, deceiving themselves they will be bringing global peace for centuries. Trillion dollars per year of deceptions and lies so all that can be destroyed, will be destroyed by the educational system.

God warns “DO NOT BE DECEIVED!” It is a sin against God to be deceived and believe a lie. Galatians 6:7 Be not deceived; God is not mocked: for what so ever a man sows, that shall he also reap.” It is sin to teach deceptions and falsehoods to school children by the state indoctrination centers.

Christian America Constitutional Amendment Is The Only Solution to reap God’s Grace and Blessings upon America and future generations.

In the global economy with free-trade and building up the war-making capabilities and prospering the enemy national economies of God's enemies will eventually result in growing global terror, persecution and coming wars against the United States, that one prophet promises will be about twenty years from now, circa 2030 A.D. Trashing the earth’s environment for greed of free trade and for predatory capitalism and after several centuries planetary death is the endgame of the U.N. World Government.

Pres. George Washington admitted the U.S. was NOT a Christian nation by law by confirming the Treaty of Tripoli with the muslims, in which treaty Pres. Washington admitted the polytheistic foundations of the U.S. Constitution's religion of polytheistic Civil Government from the beginning and ratification of the U.S. Constitution.

Christian America Constitutional Amendment Is The Only Solution to ensure Christian Treaties with biblical principles. All other treaties will be disqualified and abrogated.

(A Jewish Synagogue was the first source of money, funds to buy arms and ammunition for General George Washington and Washington signed off in supporting polytheism in law instead of Christian laws.)

Basically, many of the Christians sold their souls to establish polytheism by sinning against King Jesus to obtain national sovereignty. They cried out to King Jesus in the prayer and motto of the American Revolution by saying "Jesus is our King, not King George!" And after the revolution, they quickly betrayed King Jesus by rejecting a Christian nation by law with the freedom for all gods and religions embedded in the acceptance of the U.S. Constitution.

The U.S. Constitution has a fatal flaw with legal polytheism and denying the faith of God by taking the church services outside the Capitol building as Pres. George Washington did, though Thomas Jefferson was not so utterly hypocritical and had regular church services in the building. Denying Jesus is Lord before men in law is a great sin that God will NOT forgive the USA for, unless there is repentance.

God has graciously given centuries to repent, the time is now at hand to permanently hand over the government to our enemies in world government and order the destruction of almost all the children in the public schools with their state religions that are relentless, dogmatically taught for the decades they have control over the children and their “education.”

The Christian America Constitutional Amendment Is The Only Solution to save most of the children's eternal souls.

In the Bible under King Solomon had a theocratic rule of law. Then after King Solomon was enticed by the worship foreign gods previously prohibited, then Solomon established state polytheism. As a consequence God soon destroyed most of the nation of ancient Israel and they were NEVER a sovereign theocratic nation again. Amen

This tragedy in government occurred within one generation because of the harlotry of the nation when state established polytheism was introduced to the nation. The USA started out mostly a Christian nation and the USA has had a number of generations to repent of state established polytheism and opposing King Jesus in government. Basically by having the Congressional chaplains banned from using the Name of Jesus, King Jesus was invited to leave the government, since He was not wanted enough even to speak His Name. Acts 2:21;4:12;Romans 10:13 “WHOEVER WILL CALL ON THE NAME OF THE LORD WILL BE SAVED.” With the banning the Name of Jesus in prayer by government chaplains and even forcing them to give out satanic literature and worse, the chaplains are in effect “denying Me Before Men and I shall deny you before My Heavenly Father.” The Chaplains are caving into peer pressure to say the opposite of “Jesus is Lord.” The Chaplains are “DENYING THE FAITH.” They are saying Jesus is NOT King of Kings and Lord of Lords, that all the gods are just as relevant and Jesus is just a paradigm, someone they really don’t want to believe in and face up to their duty to God and to losing their eternal souls as a consequence of denying the LORDSHIP OF JESUS BY DENYING SPEAKING THE NAME OF JESUS.

In Rev 2:3 Jesus commends the Christians for enduring for His NAME’s sake and NOT DENYING HIS NAME and therefore denying “JESUS IS LORD.”

By denying/forbidding the Name of Jesus to be spoken as Jesus commanded, the chaplains are “denying the Faith” and removing themselves from the “Lamb’s Book of Life,” losing their eternal souls, in some cases.

1John 5:13b “Believe in the NAME of JESUS the SON OF GOD, so that you may know that you have eternal life.” Since the chaplains do not believe enough in the supremacy of the Name of Jesus so to save the souls of their audience praying, it is the loss of the Chaplains eternal souls that becomes the primary concern.

God has graciously given America much time over the centuries to repent and much time to the wayward Christian lawyers to repent of polytheistic civil government and begin their original support of King Jesus in Christian Constitutional Law.

Jesus commanded believers to disciple ALL nations. This is FORBIDDEN BY WORLD LAW BY THE WORLD GOVERNMENT THE USA HAS WORKED TO SET UP and EMPOWER.

The U.N. World Government in treaties, laws, resolutions and regulations has forbidden obedience to the command of God Almighty to make disciples of all nations.

The Christian America Constitutional Amendment Is The Only Solution to save the government chaplains eternal souls, so they are not eternally damned by denying the Lordship and Name of Jesus Christ in their lives before men as Jesus commanded.

The Christians have sold themselves to sin by obeying the United Nations laws to forbid evangelization. Even nonprofit organizations such as TBN and Samaritan's Purse with Franklin Graham, were forbidden from preaching the gospel, the good news of Jesus Christ, unless they were asked. In contrast to their disobedience to Jesus, Apostle Paul just waded into any public situation and preached the gospel and obeyed King Jesus, no matter what the costs.

The United States is truly taking the nations into the kingdom of darkness forever, the eternal night of persecution of the faithful, because of the NEGLIGENCE of the great salvation the preaching and hearing the gospel of Jesus Christ brings those who believe. Instead of working to save the nation and its' future, the USA has lost its great salvation and is taking all the earth's nations into the kingdom of darkness forever with the supreme government religion of civil government. The Jews in government usually oppose the preaching of the gospel of Jesus Christ and in fact are God's ENEMIES as a result by opposing the gospel, as written in the Holy Scriptures.

Romans 11:28 "From the standpoint of the gospel the Jews are ENEMIES for your sake, but from the standpoint of God's choice they are beloved for the sake of the fathers."

Christian America Constitutional Amendment Is The Only Solution to guarantee the support of the USA for the nation of Israel today. God will do miracles and has already done miracles to save the Jewish nation of Israel today, such as giving them all the land to the great river of Egypt, the Nile as the Israeli Army approached Cairo Egypt. This was the PROMISE made to ABRAHAM by God and God stands BY HIS WORD! Amen

People are spiritual, and not rational, people do not want the facts or falsify them as lying spirits gain control in their lives. When they are trained as a child when at that time they have enough child-like faith to believe facts, the children are instead taught to oppose the facts, to believe whatever they want. As a result the students have hardened their own hearts to truth and the gospel, and then it is generally too late then to try to convert them to believe God Loves them and invites them to accept Jesus Christ in their hearts. Statistics show after the age of thirteen it is generally too late for most to enter the Kingdom of God through the Door of Jesus Christ.

After the children reach the age of thirteen, with few exceptions, if they fail to accept “Jesus as Lord” into their hearts and learn to love the God of Love, then it is usually too late as they are corrupted by lies and devils of the teachers who exploit the lies in their hearts.

Conversion statistics show there are truly few converts to Christianity in adulthood. As Jesus warned the Jewish leaders make their disciples twice the son of the devil they themselves are, so likewise the public schools make the children more immoral and evil with each passing generation twice as antichrist as the previous generation, with few exceptions... Jesus warned of the geometric increase of evil generations for those who hate God Almighty and His Son. The public schools are living proof of an educational system that denies Jesus is Lord and hates God.

In the gospels of Jesus, when the Messiah fulfilled over three hundred prophecies written in the Old Testament, that only God Incarnate, the Messiah could do, that many Jews continue to reject the Messiah, only a fool would reject Jesus the Messiah, and His gift of eternal life. However the Jews are usually implacable enemies of rational government of Jesus Christ and are a major component of ferocious utopian ideological solutions (such Senator Barry Goldwater and as Fmr. Secretary of State Henry Kissinger) of "The New Order" that will bring a New Dark Ages for centuries to come to all of the earth, **unless the Christians act NOW and enact the Christian America Amendment.**

The Christian America Constitutional Amendment Is The Only Solution to turn the judicial system to respect God and Jesus and as a result will respect life which begins from the moment of conception.

Christ Jesus obeyed the Holy Spirit so carefully that He fulfilled over three hundred Biblical prophecies that ONLY God INCARNATE COULD ACCOMPLISH and yet many of the Jews continue to reject Christ their Messiah and God's salvation...

The Christian America Amendment, with NO RELIGIOUS TEST FOR OFFICE, aside from a short statement of faith eventually, if possible, such as "Jesus is my lord and is sent from The Father," or something similar would allow Christian atheists, or Jews or anyone else hold elected office according to one's own conscience. If the elected candidate does not have a conscience, that is the responsibility and to the shame of the voters who elected them.

There will be NO "religious test" for office inserted into the U.S. Constitution by the Christian Amendment. The only way the Christian Amendment could pass the Congress and States is without a religious test for office requirement.

The quality of America's government is strictly up to the citizens and conscience of the voters of The United States of America.

Christian America Constitutional Amendment Is The Only Solution to invite the presence of God and His Holy Spirit into the presence of the children and save their souls, as well as save the souls of the adults who call upon THE NAME OF JESUS.

Unless there are a nominal "ten righteous men" in the land, God will not spare the USA, as God promised Abraham mercy for, as God loves mercy, the United States will go on being gradually ruined and destroyed and occupied and growing control by God's enemies. The Bible forbids selling your nation to foreigners as they care nothing for you and for God and for future American generations. Foreign enemies as owners of the USA, will exploit you and the nation for their benefit. The Bible forbids being deceived. Christians are expected to obey Jesus as He said, "My sheep hear My voice." Jesus said He was and is the ABSOLUTE TRUTH. To believe a LIE is SIN (Ga 6:7)! Amen

Today foreign corporations and foreign governments' money was made legal by traitors in Congress so by their political donations the foreigners may influence and throw elections to globalist choices.

Senator John McCain and others decided to sell the sovereignty of the USA to God's enemies in WTO World Trade Organization controlled free-trade and to the U.N. world government. Both major political parties (Republic and Democratic) are all dedicated to the proposition of having your enemies rule you in the the United Nations World government and as a result selling out the USA completely, "lot, stock and barrel" selling the future for all the nation's children and selling their neighbor's children's souls and bodies future to their enemies for money in globalism. The motto of Congress is "why go through the ravages of war, when the USA may surrender and give the American people to their enemies and sell the resources in every way imaginable to your enemies, so the nation is gradually destroyed and removed from the face of the earth." Clever, just "surrender the USA and give yourself over to your enemies through a potentially totalitarian U.N. World Government." The U.S. Congress has truly given itself over to demons in order to destroy all hope for the future. Amen

"Selling the minds, souls, bodies" of the American people to God's enemies in "free-trade" and world government is given "double punishment" in the Book of Revelation in the Holy Bible (Rev 18:6). Selling out the future of America and the rest of the earth's nations to their enemies in world government is unconscionable. The USA's infamy will be recorded in history.

Christian America Constitutional Amendment Is The Only Solution to save the USA. Only with God on our side defending His Kingship and rule of the nation for His Namesake will there be any hope at all for the USA as a sovereign nation.

Now is the time for the USA's Christians to repent as God has chosen to apply "pressure" for the USA to be gradually ruined and destroyed over the coming centuries ruled by our enemies in the United Nations New World Order government and "free-trade."

There are not yet “ten” righteous leaders advocating King Jesus be allowed to influence in government, “Ten” books, “Ten” televangelists, Ten righteous websites or Ten righteous men advocating returning the states to Christian Constitutions by Christian Laws. It would only required “ten” righteous men to saved Sodom and Gomorrah from God’s Wrathful destruction and it would only require similar numbers to save the USA. With Christian leaders opposing King Jesus, His terrible judgment is God’s only option, as He is Holy and requires holiness from Christians.

God and America has lost almost ALL of the next several future generations of children because of "Pat Robertson" and Christian lawyers supporting legal polytheism, rejecting King Jesus as their “Lord and Master” in government, rejecting God’d Kingdom on Earth as it is in Heaven, rejecting Christian Laws, and rejecting a Christian Nation by opposing the www.ChristianAmendment.com Opposing King Jesus Christ’s rule of the USA and supporting polytheism is great sin against God!!!

There are not yet "ten-righteous men" who have written books, radio shows, television shows, or anything else in the media advocating a Christian Nation by Law to save the children and so to save America’s future with a Christian Constitution. By honoring God and Jesus and keeping His covenant, precepts and ordinances, we will have His blessings.

De 4:31 “For the LORD your God is a compassionate God; He will not fail you, nor destroy you, nor forget the covenant with your fathers which He swore to them.”

The Christian America Constitutional Amendment Is The Only Solution to save the children from the public propaganda educational system that works on a trillion dollars a year budget to entice the children to go through the “Gates of Hell” into the Kingdom of Darkness forever as they teach lies and use peer group demonic PRESSURE to conform everyone to the state religions, including Secular Humanism, which the U.S. Supreme Court also judged to be a religion of the USA.

Why should the Christians repent of damning the children's eternal souls in the state indoctrination centers and pagan religious temples of the public educational system and save the future of the nation? Because that is God's Love and His Will to save the children and the nation, to bring eternal life, liberty and blessings in this temporal existence and in the eternal life to come...

James 2:8* “If, however, you are fulfilling the ROYAL LAW, according to the Scripture, “YOU SHALL LOVE YOUR NEIGHBOR AS YOURSELF,” you are doing well.”

If parents LOVE and care about their neighbors' children, they must support the Christian America Amendment. While their neighbors' children are ALL being corrupted and damned by the public schools it is tragic sin and God's wrath and Hand is against the USA. Amen

The status quo of the Washington D.C. government is now usually a demonic cesspool of ideological madness working with all of their strength to throw the nation into the waiting jaws of the United Nations and New World Order and so to bring third world levels of poverty forever for most of the American people...

Instead of listening to the public and being reasonable, the Congress blindly passes bills such as the health bill without reading or serious consideration of the costs or consequences as bankruptcy and ruin of the nation is now their primary wicked purpose in most cases.

Congress extending unemployment compensation ad infinitum is helping to bankrupt the treasury as there will NEVER be equivalent high paying jobs as the over-arching problem of FREE TRADE relentlessly ratchets down the U.S. standard of living for most people.

This happens as a function of the international balance of payments that relentlessly drives down the value of the USA Dollar, though the globalists have foreign governments intervening on the dollar's behalf so to keep the globalist plan of utopian world government on track.

The Balanced Budget Constitutional Amendments that the Congress tries to pass are TROJAN HORSES, loaded with extras that may work to destroy the USA's future.

The U.S. Dollar gradually collapses in value and USA export to foreign nations increase, but as those USA made products are accepted in foreign nation, then the domestic factories are moved to China and foreign nations forever. This ensures subpoverty for most Americans in future centuries.

The Christian America Constitutional Amendment Is The Only Solution to save America and have a hope for the future for the children.

The USA Congressional leaders are becoming "Talking heads" that ideologically decouple the American people from the nightmare the controlling agencies and laws and regulations U.N. World Government are working daily to bring into U.S. Law by being punished in the FEDERAL REGISTER.

It is a sin to be deceived, as God has provided “the Spirit of Truth” to all who call upon the Name of Jesus to be saved.

Instead of Christians putting on the armor of God in Ephesians chapter 6, the Christians are staying in their comfort zones and gated communities waiting to be “slaughtered as sheep.” It is not God’s will to wait to be slaughtered and the children’s souls damned forever.

It is God’s will to “fight the good fight of faith” and take over the government by electing those who support King Jesus, Christian Laws and better future for the nation than handing everything over to our enemies in the United Nations.

Christian America Constitutional Amendment Is The Only Solution to ensure a stable future for most of the earth’s nations and a prosperous future for most Americans.

Hypocritically the "Bible" may be taught in hypocrisy some public schools in a literature or comparative religion sense with two other major "religions" taught “comparatively” such as Islam and Buddhism without telling the truth of the infinite wisdom and superiority of the "Only Wise God" of Jesus Christ.

To fail to honor Jesus as Lord and failing to tell the students what happens to nations in the Bible that oppose God is wrong and a sin.

By teachers reducing Jesus to another one of the pantheon of gods and false religions worshipped instead of giving Him the position of absolute sovereignty in their hearts and believing He controls all the universe and is King of kings over all the nations is great sin. Amen

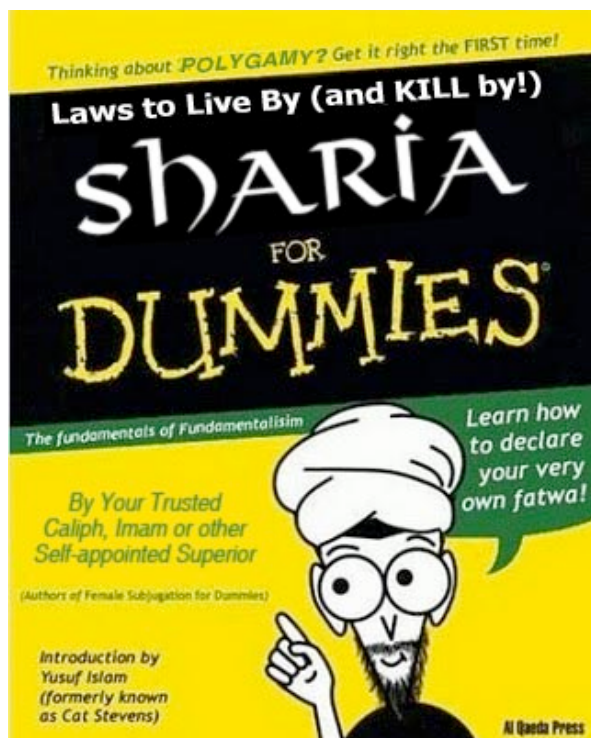

As a result of teaching the Gospel of Jesus in a hypocritical, "tolerance for all religions" sort of way the children usually continue to be damned in such a peer group religious environment. As more and more lies are taught in the schools against the Holy Spirit, "The Father of Lies" has greater places to occupy and influence the children so their souls and the nation's future is lost forever.

Martin Luther of the Protestant Reformation worried the schools would turn against God as they have done and push the children through the gates of hell forever.

Christian America Constitutional Amendment Is The Only Solution as King Jesus insists upon it for His working in government, as without Him there will not be the Holy Spirit's blessings for the nation.

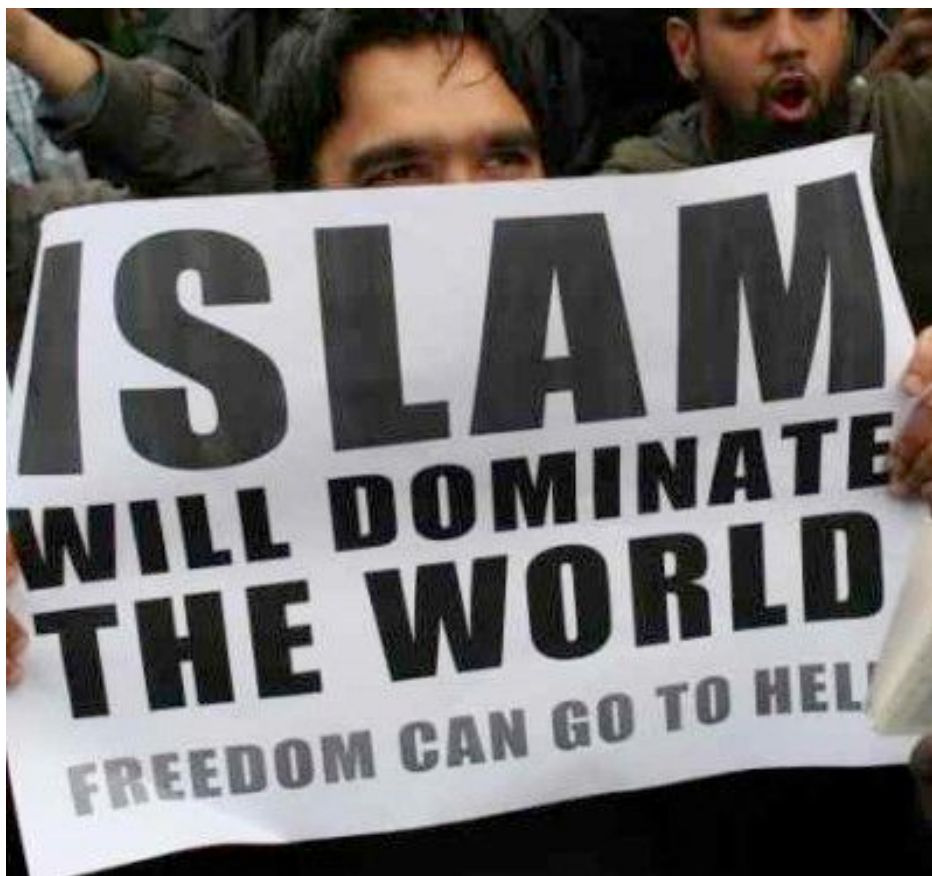

The Bible commands to educate the children in a godly manner with basic biblical knowledge that they may grow up to be godly adults with mature responsibility as a nation of "kings and priests."

The ONLY SOLUTION IS KING JESUS and bringing Him back into the USA government according to one's freedom of conscience, instead of a legal religious test with the www.ChristianAmendment.com. To go the babylon USA of "according to the dictates of one's heart" is great stupidity, great error and total confusion against God. The nation is in disarray without the leadership of King Jesus.

The correct and ONLY effective solution is to advocate the www.ChristianAmendment.com to reign back the judiciary to Judeo-Christian basis in historic law.

While Christians delay their repentance of their rebellion to King Jesus in government, Congress sending the nation to perdition, ruin and destruction.

The Christian America Constitutional Amendment Is The Only Solution. Only if King Jesus is brought back into the USA government may there be mercy and grace and a bright future with hope for America and the children. Without the Creator of the Universe and Christ fighting for America, the political battle is over, as the trillion dollar brainwashing state indoctrination schools and antichrist public higher education are utilized to turn almost all the children against God and against America national sovereignty to globalism, a

world without sovereign nations so to support their enemies in the U.N. World Government and New World Order for centuries to come in a different “dark ages.”

The Bible warns "Not ALL men have FAITH!" Furthermore, there is ONLY ONE FAITH the Bible has written. There are not multiple religious "faiths."

God said there is ONLY the one faith and true religion that pleases Him and that is the Christian Faith...

It is wrong to declare other religions to be of faith when "The HOLY SPIRIT SAYS ISLAM IS AN ABOMINATION TO GOD!" The bible warns not all men have faith. Islam is a false religion without faith that please God. The Bible has written, "there is only ONE FAITH (Eph 4:5)." Amen There is NOT another faith period. Other religions are without the one faith that pleases God.

The Christian America Constitutional Amendment Is The Only Solution to allow God's infinite genius, "The ONLY WISE GOD" Jesus Christ to speak through His people in government.

The USA has set up at least five muslim countries by Sharia constitutional law as recent additions to the kingdom of darkness with the help of the Islamic nations including two recent wars working for the super caliphate if supranational islam and global fear bringing more global terrorism to America's future. Islam means "submission" by the bloody sword.

Only God's curse by God's Judgment will be the USA's reward for going antichrist in almost every way imaginable...

Christians are at fault and to be blamed for the polytheistic-demonic cesspool of Washington D.C. "that changes men's souls," as is said of politicians that start good but end up going bad because of the spiritual oppression in D.C.

First Lady Mrs. Obama confessed life at the White House "Is like HELL!" That is because "the gates of hell" have prevailed, until Obama recent comeback to the Lord hopefully, in the federal government, and there is little or no spiritual blessing. The Christian America Constitutional Amendment Is The Only Solution that there may a family friendly environment in the USA.

The Roman Catholic Church recently try to sell a Staten Island New York Covenant to the muslims as other churches have been sold to the muslims, but this time to send a signal: The UNITED STATES is sold out to the muslims at the cost of everything, including their eternal souls.

With the Statue of Liberty on Staten Island, the Catholics were sending the message to support Christianity, not islam, for its liberty, freedom and the nation would lose if it were sold out to Islamic Sharia Law and are now the enemies of God. Amen

For Muslims, in the Koran/Quran Muhammad was commanded by “God” and the angel “Michael” in the cave who told him as recorded in the Koran to learn to read twice, but Muhammad DISOBEYED and NEVER learned to read and continued to be illiterate until the day he died.

The Christian America Constitutional Amendment Is The Only Solution to address foreign religions from the perspective of truth and the facts without fear of WORLD LAW prohibiting the truth and facts from being spoken around the world.

Freedom of Speech is just a global anomaly in law in the USA that will be eventually eliminated by WORLD LAW.

As a result of Muhammad failing to read and learn the Holy Scriptures of God and Jesus Christ, Muhammad made a mess of the Islam religion at the tragic cost of hundreds of millions of lives of dead Christians over the centuries.

Muhammad commanded the death knell of Christians by having his scribes, who could read and write in the Koran commanding muslims to murder Christians, even today, that “offend” by honestly questioning the errors of Islam or try to evangelize muslims with the gospel of Jesus Christ.

Recently, as a subset of the U.N.'s charter treaty of no Christian proselytizing, the Muslims tried to make it hate speech to even question the errors of Islam... As Jesus said, "you will be hated by ALL nations." There is no middle ground or "level playing field" in the U.N. World Government, only "the head or the tail." Because the Christians have rejected King Jesus they can only be the "tail" or persecuted slaves of their chosen masters in the U.N. World Government. Christians are to choose King Jesus to rule over them and NOT choose their enemies in the forbidden United Nations.

The Christian America Constitutional Amendment Is The Only legal Solution, for then King Jesus would fight for His own kingdom and His citizens in this world where His Kingdom NOW IS.

Now the Muslims travel to Mecca, as the Koran has written, to go in circles a "moon rock" meteorite as a religious rite originally used in about three hundred ancient pagan lunar religions prior to Muhammed establishing the Islamic religion where people must submit or the sword is used upon them.

Islam is NOT a religion of peace, but submission with the sword used on those who will not submit or pay the tribute offering tax to their supreme Allah moon god.

Typical of the mistakes of the Koran written six hundred years after Christ was born, they do not believe the four gospels account of the passion and resurrection of Jesus and five secular sources that testify of the existence of Jesus. Surah 4:157 says there was no death and resurrection of Jesus, even though there were hundreds of eye-witnesses, even some of the

dead O.T. saints were resurrected after the resurrection and actually walked in Jerusalem as God's vindication of His Holy One Christ.

The Christian America Constitutional Amendment Is The Only Solution to counter hostile foreign religions. The Voice of America and other information agencies should be broadcasting the flaws of Islam and apologetics for the perfection of the "Jesus The Only Wise God."

**Muhammad and his “angel” Surah 5:112 “Said Jesus: "Fear Allah, if ye have faith."”
Jesus spoke and read the languages of Aramaic and Hebrew of the Holy Scriptures
used by the Hebrews.**

**Jesus did Not speak ancient arabic but repeatedly used the Aramaic or Hebrew
Names of God, it would be the sin of blaspheme for Christ to use a non-scriptural
pagan name “Allah” for God from the pagan arab religions name for their gods in the
Mecca region (centuries later eastern Orthodox Christians used “Allah” as the name
of God). Jesus was a Jew and not an arab from the Mecca region...**

**Jesus was a prophet who heard from God and spoke what God told Him to speak.
Jesus could not and would not use a pagan name used for the supreme moon god in
Mecca for God His Father.**

**Jesus is God Incarnate, the Resurrection and Life, as He Himself was resurrected
after being killed by Roman soldiers who were expert killers under orders from the
Roman Governor. There was no mistaking Christ’s death after speared through the
side of Jesus and through the heart itself so water gushed out from the heart area
that testified of Christ’s complete death. Muhammad had greatly sinned by saying
Christ had not actually died as historical sources factually and scripturally prove.**

Muslims circle Mecca moon rock for “blessings.”

The Christian America Constitutional Amendment Is The Only Legal Solution to counteract the lies of false religions around the

world so to bypass foreign governments and reach their captive peoples. The USA information agencies should be using all of their resources to establish God’s Kingdom on Earth and have extensive Christian apologetics.

Islam is NOT a religion of peace as George W. Bush deluded himself, as history has written of hundreds of millions martyred Christians at the hands of Muslims testify to in history and even today the slaughter goes on of Christians murdered by Muslims, while the USA usually does little to nothing to stop the murders.

In contrast to Bush's "Voodoo Economics" the USA now practices "ECONOMICS FROM HELL!!!" Literally placing the entire future of the U.N. New World Order in enemy hands as Arab oil keeps the world price of oil relatively low and stable even with explosive economic growth of the demand of oil as third world economies are growing to pollute, endanger and trash the Earth's environment and future.

To support the global multinational socialism, C-span has broadcast the Arabs, Saudi Arabia and others are giving billions to buy U.S. Treasury notes to finance the United States mercenary armies of U. N. COMMAND United Nations Command to occupy and defuse other forms of Islam hostile to the Islamic Sunni Wahhabi sect that controls Saudi Arabia.

The Christian America Constitutional Amendment Is The Only Solution to establish "God's Kingdom on Earth" as Jesus commanded instead of the kingdom of Allah the supreme "moon god" of the ancient Mecca area.

The muslims are manipulating the USA and working for global supremacy and in the context of the United Nations and the New World Order which is here now and growing in power...

The Congress has given unlimited classified authority (printed in the NYT, WSJ) and power to the Federal Reserve to secretly create money and buy junk securities and worthless foreign securities, no matter how many trillions of dollars they may eventually cost, so they may bankrupt the future and destroy any hope of a better future for America. So the classified authority of the Federal Reserve to create money is “off the books” is subsidizing foreign banks and corporations so to socialize the globalization and eventual ruin of the USA. As Rep. Ron Paul said, the classified amounts the Fed has given away are told to Congress in closed door meetings, however during the Obama Administration, an “off the books”

TEN TRILLION DOLLARS has been given to corrupt foreign banks, corrupt foreign governments and corrupt foreign institutions. In the past five decades the amounts may exceed thirty trillion dollars or more. Future generations' Money just thrown away, lost forever as the USA descends into the final madness of putting their enemies in charge of a fantasy/utopian world government in the U.N.

In contrast to helping the foreign corporation failures, if AIG was helped and isolated from its foreign operations, there would of been no help necessary from the Congress and Treasury.

The Christian America Constitutional Amendment Is The Only Solution to change laws back to the true “Spirit of the Law” of the Lawgiver God Almighty and Jesus. Amen

It was the London corporate AIG operations that lost ninety billion dollars in derivatives. For the USA to prop up the global economy is true madness and destroying the future of America. Harvard’s former President Larry Summers and other jews and unbelievers are generally authoring the global financial madness and bankruptcy and poverty of America’s future.

One federal employee is "worried" about the secret transfer of TWO TRILLION DOLLARS in recent years that is "off the books" Federal Reserve accounting of the National Debt which is scheduled to grow to as much as a hundred trillion dollars in order to bring down the USA and give birth to total world domination by the U.N. New World Order. He would be more worried if he knew the extent of the infinite insanity that has struck the Congress and the White House and world leaders.

The Christian America Constitutional Amendment Is The Only Solution to reset lives, hopes and dreams of the America for a new beginning and a hopeful future. President Obama said recently, “First of all, I believe Jesus Christ is Lord. I believe in that.”

I hope and pray Pres. Obama continues to be faithful to God and Jesus, as eternity is a long time without the comfort of the Creator and His Holy Ones. However after twelve years as a Constitutional Law Professor I hope and pray Obama has enough sense and wisdom to stop opposing Christian Law and King Jesus the Law Giver in government that America may also have a good future.

All the Bible and ALL RECORDED HISTORY proves turning your people over to enemies to rule them is a really dumb idea. Franklin Roosevelt’s Novus Ordo Seclorum printed on the U.S. currency, “New World Order” is a truly evil doctrine of demons doomed to damn the nation and take the human race into centuries of a new “dark ages.” As King David said, turning Israel over to their enemies would be the worst possible future for the nation.

The choice is between the World Law of devils or God’s Law for the nation! Choose Life that you may Live! Amen

THE USA has become so completely ANTICHRIST that Obama and the U.S. State Department is encouraging Kenya and other nations to gradually adopt and establish Islamic Sharia law instead of saving the Christians of Kenya, Sudan and other nations of earth from their persecuting enemies.

Although God's Wrath will be tempered by centuries of diminishing grace, the rebellion and unbelief of Christians of the United States pushes God to reluctantly send multiple judgments, destructions and wars until the United States is fully destroyed, unless there are those "ten righteous men," Christian leaders, that will cause God to delay His Judgment of "Fire."

God's behavior toward the nation is similar to Dt 28 where He will and is raising up more and more enemies until the nation is fully destroyed for its' rebellion to Him.

Jesus said "you will be hated by all nations (by the means of free-trade) for my Name sake!"

The Christian America Constitutional Amendment Is The Only Solution for implementing "Fair Trade" instead of "Free Trade."

Christians are commanded to provide for their own households first, the nation and then for foreigners, or global stability will fall to the nightmarish tyranny of U.N. Command.

The "Level Playing field" in government and "free-trade" is the "doctrine-of-demons," as the Bible warns, paraphrased. The Bible warns, you may either be the "Head or the Tail!"

The false idea that unique products manufactured or unique services will be in large enough quantities and volumes that will bring up the general standard of living in the context of free-trade is a doctrine of demons... Unique products help, but only are a small part of the general economy of basic services, and basic commodities of GDP.

There is no "level playing field" option in the Kingdom of Jesus Christ, only "the head or the tail" options. Only a few nations in history have ever served God as ancient Israel has.

To think global Christian domination is possible is delusion. Ancient Israel was the ONLY nation which served God at the time it existed and usually there were no believing nations at all in history.

Christian America Constitutional Amendment Is The Only Solution even hope to have Christian Dominionism and Theonomy in the USA.

It was a rare nation or individual in history, such as Father Abraham, who had enough moral courage to obey in faith the leading of God's Voice and His Holy Spirit.

For America to turn from polytheism and certain coming ruin and become a Christian nation by law is God's command. Jesus said "Either you are FOR ME OR AGAINST ME!" As the world leaders descend into "outer darkness" as a result of the Second Death Judgment of the Damned by King Jesus, they will comprehend what Justice is all about forever. Amen

All the Bible and ALL RECORDED HISTORY proves turning your people over to enemies to rule them is a really dumb idea. Franklin Roosevelt's Novus Ordo Seclorum printed on the U.S. currency, "New World Order" is a truly evil doctrine of demons doomed to damn the nation and take the human race into centuries of a new "dark ages." As King David said, turning Israel over to their enemies would be the worst possible future for the nation. The choice is between World Law of devils or God's Law for the nation! Choose Life that you may Live! Amen

King Jesus is making the enemy nations His footstool as no “level-playing-field” is possible, except as bait for the deceived until the jaws of the global trap of the U.N. New World Order is closed forever. The answer is NO! NO WAY that We ALL can just get along, that is what the U.N. FEMA Concentration camps are for and what the U.N. COMMAND Armies are for. As the government knows we can’t all just get along, and are planning for the inevitable rise in number and scope of mob riots.

As the USA loses out against the empirical economic downward pressure of "FREE TRADE" on the general standard of living, the USA will fall into the jaws of its enemies who will control the reigns of U.N. World Government for centuries to come. As it is said "Money Rules."

Christian America Constitutional Amendment Is The Only Solution to turn from global predatory capitalism and building up God's enemies as China, Russia and

others. Jesus said "make loans to your enemies" not to make them a greater threat to themselves and to others in world government, but in ways that help propagate the gospel of Jesus Christ. God is not concerned about cell phones to the third world but making everyone as friendly as possible to His Companionship through the means of the gospel of Jesus Christ.

"Every person is to be in subjection to the governing authorities. For there is no authority except from God, and those which exist are established by God (Romans 13:1)." God desires obedience and not sacrifice in Christian government.

It is not a “housing-bubble,” as it was said to deceive the Americans, it is the American “standard-of-living-bubble” of the Americans that is the driving economic force of decline caused by free-trade letting all the money, jobs and capital out of the economy as the standard of living deflates caused by “free-trade.” Free Trade will relentless drive down the USA standard of living to subpoverty if Congress fails to repent.

It doesn’t take “rocket science” to know why Americans are not spending, it is caused by the lack of discretionary income. With less money in the family budget to spend as the standard of living falls due to free-trade the stores and service sector slowly edges toward bankruptcy and third world standards.

The Federal Reserve’s plan of unlimited growth of the money supply such as its policy of “quantitative easing” and increasing the money supply, is the doctrine of demons and the recipe of the USA’s demise in the world economy. The value of USA Dollar has fallen to almost worthlessness in some currencies already. The Federal Reserve blunders on to buy as much junk securities and bankrupt foreign securities in order to balloon economic “growth” just as one would use a “credit card” to artificially sustain one’s standard of living at the cost of future generations. As this is done the value of the U.S. Dollar collapses to ruin and the American people are stricken with poverty.

The Christian America Constitutional Amendment Is The Only Solution to isolate domestic corporations from their foreign offices and facilities. The American people should not have to pay for all the greed and stupidity on the planet as Obama and the Globalists seem to think and implement as their policy.

(Note the American Dream requires the same solution as the prosperity in the decade of the fifties, with the general standard of living increased with the growth of manufacturing after WW2 at an astounding rate of almost 4% annually, with the increasing production of manufactured consumer goods. If the standard of living is to be increased there MUST BE TARIFFS and DUTIES in a managed trade policy of “America First” in government policies.)

The Christian America Constitutional Amendment Is The Only Solution for the “American Dream” of Life, Liberty and the pursuit of true happiness under the government of the United States of America.

Without the money to influence and control foreign nations, the USA will fall literally into the Kingdom of Darkness and take ALL of the earth’s nations with it... in coming decades.

Only a righteous remnant of saints will will continue to remain faithful to King Jesus Christ across the coming centuries of the “new dark ages.” As I have noted, there are not actually “ten” christian leaders (that I know of) to Save America from her enemies by supporting a Christian Constitutional Amendment and bring King Jesus to rule according to the gracious free will of His servants in Congress.

The nation is in disarray because the Christians will not let King Jesus lead them in government. As one follows the lead of God, one must also lead others to God on The Way.

Therefore, after receiving the truth, there "remains no sacrifice for sin" and the USA waits for the fearful Vengeance of God that may or may not be centuries in the distant future. The Christian America Constitutional Amendment Is The Only Solution to have godly judges who respect the true “spirit of the law” which is the Holy Spirit.

As another of God's motivational curses to repent indicated in The Law of Moses written in Deuteronomy 28 Prophet www.kimclement.com prophesies God's war of punishment against the United States to be about twenty-one years in the future circa 2041 A.D.

It is insane to cut the USA military and build up the nation's enemies's armies in UNCOM as a coming War against the United States is God's judgment for American Christians rejecting King Jesus in government, rejecting Christian laws, rejecting saving America from the United Nations, rejecting giving away the military to enemy nations in U.N. Command, reject saving America's children from state established religious indoctrination in foreign religions, including the supreme national religion of "civil government."

"You Shall Have No Other gods before ME!" God really means what He says and to indoctrinate and entice the children to follow other gods to their ruin and the ruin of the nation is unforgivable and God will take the nation's life as the price of the Christians' rebellion of not allowing King Jesus to rule and reign. In twenty years, as God's prophet has said, "the life of the nation will be taken" in a war. Believing in the demonic fantasy of the U.N. and Family of Nations global utopia is insane, the belief of madmen.

As long as Christians are fighting against King Jesus by opposing a christian nation with Christian LAWS, King Jesus will continue to pour out His judgments to the ruin of the USA and future generations under the tyrannical rule of the U.N. World Government.

The United Nations and foreign nations which already publishes in the USA Federal Register of new U.S. laws written by foreign governments as United States Law to be obeyed (without the obsolete process of Congress authoring analyzing and processing legislating after hearings and careful academic review of the long term impacts.

The Christian America Constitutional Amendment Is The Only Solution to save America's children. Without a spiritual environment that encourages the presence of the Holy Spirit in children's prayers, the children never come into knowledge with their loving Creator in most cases. As Jesus said to two cities, even Sodom and Gomorrah would of repented if they had the light of God they had. If God's light is available, then the children repent and learn to enjoy the love and beauty of God's Spirit.

America's educational system has been felled by case law, and as a result of poor teaching has chosen to close the darkness of evil around its children and few children will ever escape into the presence of Jesus and Heaven Joys in eternity. Though a few will find God's Way of Escape, most will not, as a demonic hostile environment working against the presence of the Holy Spirit, is required by law against touching the presence of Jesus in prayer in the workplace and in the public schools.

The Congress is just passing laws, rubber stamping whatever the WhiteHouse, special interest think tanks such as the Brookings Institute and the myopic whims of the rich and foreign international lobbyists and corporations... Congress has truly sold the nation into the hands of God's enemies and into the kingdom of darkness...

We have already lost the protections of the U.S. Constitution and Bill of Rights by international treaties and Treaty laws ratified by Congress and enacted and implemented by Presidential Executive Orders bypassing the democratic processes and Congress.

The Christian America Constitutional Amendment Is The Only Political Solution to Save America Today!

Because of Congress and the White House, Americans are now "toast," and "useful fools" waiting for America's enemies to devour them, eventually for centuries to come, unless we repent now by breaking the evil rule of foreign enemies such as Russia, China and the Arab voting block of nations in the U.N. New World Order.

Jesus Christ is the LAWGIVER, and you can legislate morality by passing laws to discourage sin, such as capital punishment for the unrepentant as King Jesus would do.

As Israel's Deliverer and Judge Sampson gave his life to destroy God's enemies, Christian Lawyers need to stop pressing with all of the strength and might opposing King Jesus in government and law and resulting in gradually destroying the USA by USA polytheism laws where stopping the abortion of babies is impossible as long as you insist God's enemies rule over you by opposing a Christian American Nation by Law. As Jesus said "You will be hated by ALL nations." The political idea of a polytheistic level playing field in trade or in global law is a pack of lies and the doctrine of demons.

The Christian America Constitutional Amendment Is The Only Solution to appoint and elect Christian judges.

Congress needs to strictly appoint Christian judges that know the "spirit of the Law" which should be strictly "The Holy Spirit." As Supreme Court Justice John Jay said leaders and judges need to be Christian leaders with godly character and morals.

Congress needs to pass godly laws as Fmr. Gov. Sarah Palin has said the nation needs Christian laws.

Have King Jesus rule over you and support the www.ChristianAmendment.com TODAY! You have almost no time left before your legal rights to turn the USA to King Jesus and save legal freedoms and liberty for future generations. To continue to delay will result in losing most Bill of Rights freedoms and liberty in law which will eventually be conformed, when the political time is right, to implement U.N. World Law as the treaties with U.N. have written upon the American people.

The Late Senator Ted Stevens warned- the Congress will be gradually reduced to mere "talking heads," figurehead puppets of world government to rubber-stamp the misguided laws and regulations foreign leaders the USA has thrown itself under to be ruled by God's enemies as a broken down third world nation in another "DARK AGES" that may continue to the end of life, UNLESS you act.

The Christian America Constitutional Amendment Is The Only Solution for Hope for America's future!

The Tea Party needs to be a political party of HOPE and the “American Dream” salvation for the United States, evangelizing parents and saving the children's future. The American people want to be saved, and it will either by King Jesus or the devil as Christians chose who will be their King at the ballot box.

The Tea Party Platform needs to include the foundational bedrock of Christian law, the www.ChristianAmendment.com as the foundation stone of the political platform which is needed to bring America’s King of kings Jesus into government and to rule over our hearts. Otherwise King Jesus has been exiled from government and replaced by the gods of the religion of civil government.

The Christian America Constitutional Amendment Is The Only Solution to give reference standards to voters to vote for Christlike leaders who will work to save them and work to save the nation from its enemies.

Let’s have a true “TEA PARTY” and throw the foreign gods “off the ship of state.”

Both political parties today are made up of mostly traitors to the national sovereignty of the United States, the Republicans and Democrats are dedicated to the ruin and destruction of sovereignty of the United States and ruin of the domestic economy with mad-man global economics and Congressional wild budget fiscal orgy of drunken spending the future wealth of the American people on literally almost nothing that will bring long term economic growth and significant benefits to future generations of Americans ensuring a higher standard of living.

The foolish mantra slogan shouted in Congress in the various stimulus bills was "we have to get "the money" out the door quickly." Throwing the government's money away on nothing that would bring long term benefits to future generations is demonic and plundering the treasury for greed...

"Bread and Circuses" as the ancient Roman Government use to placate the people as the nation is ruined is the same policy of Congress in throwing away as much money in any fool way the devil puts into their hearts and minds. Circuses of Rome are provided in an ungodly "Babylon anything goes" media destroying minds with "stupid spirits," rotting moral character and turning the people against God and King Jesus.

The Christian America Constitutional Amendment Is The Only Solution to supplicate the ALMIGHTY to have mercy and grace to save the American people from destroying themselves and each other with selfish myopic ideas in politics. Only the power of God and His Holy Spirit may turn men's minds back to sanity and "The Mind of Christ" that is God's gift to Christians.

There was a total BAN in Congress on getting money out the door for strategic beneficial and needed projects such as doubling the interstate highway system size to handle the quadrupling of the population and increasing vehicle traffic. The engineering rule by state is one vehicle length for every ten mph of speed for accident avoidance and braking.

That is one important reason of a number of important reasons that almost all immigration must be ended as the nation enter permanent traffic gridlock of the nation's commerce.

The U.S. Congress has NO INTENTION OF SAVING THE USA, though some talk about the problems, it is only mere talk that leads to nothing, and works to destroy everything previous generations have worked for in their servitude of demons and demonic ideas such as NOT increasing the size of the highway system to handle the quadrupled population causing over capacity levels.

Instead of saving the American people and future generations, is going to break the treasury, and throw the people to be devoured by their enemies in the United Nations World Government.

Its hard to believe the U.S. Congress is going to just let everything fall to ruin as the USA is REQUIRED to become a THIRD WORLD NATION in a world of peers of “NO NATION BEING ABOVE ANOTHER NATION,” as Pres. Obama said in Egypt trying to proselytize the Egyptian people into the world religion of global civil government and teaching the “Family of Nations” State Department and Brookings Institute doctrines. The demons come to “kill, steal and destroy” the Congress and the people and the nation’s future.

Only fiscal waste and foolish expenditures are allowed in Congress because of the minions of the New World Order and Brookings Institution wanted every taxpayer penny wasted all so the United States would fall and never rise again in the future.

Bankrupting future generations of the USA is the fiscal directive of the CFR globalists and not godly government providing a prosperous future for future generations of America..

The Christian America Constitutional Amendment Is The Only Solution resets the objectives of America from useless “Bread and Circuses” of ruin and destruction to beauty, order and love of God and each other, as much as God Wills. Another “Jobs Bill” passed with Free Trade agreements working to make sure there are NO JOBS with higher wages available as the years pass.

The Tea Party needs to be raising the general standard of living, growing the American middle class for political stability instead of diminishing it. Saving the middle class from certain coming poverty unless there is an America first economic and trade policy (says the Holy Spirit).

Supreme Court Justice Antonin Scalia said all laws will be normalized to global common standards. The conservative judge, would be the only hope of stopping the loss of hard fought and won constitutional rights, but he has already decided to be a traitor to American sovereignty.

There is now NO HOPE of Saving the Constitution's Bill of Rights which already are being reviewed in the courts and need to come into compliance with the World Laws and future treaties and past treaties to be globalized to minimal global minimum human rights with the world tyranny of the U.N. and New World Order.

Rescuing the American People from the certain coming tyranny of the New World Order United Nations and the sub-poverty that will eventually strangle most of the American people as the true terrible coming costs of free-trade which is embedded in foreign TREATIES ALSO FORBIDDEN BY GOD AND THE HOLY BIBLE.

God punished Ancient Israel for trade with His enemies and commanded its entire merchant marine destroyed as a result of their rebellion against God. For the USA to be ruined and destroyed is expected as "Jesus is Always the Same, Yesterday, Today and Forever!"

Since America's Christian leaders have rejected more light and truth than ancient Israel and rejected King Jesus in favor of legal polytheism and jumped at the chance to be ruled by God's enemies in the United Nations, the USA will suffer a fate FAR MORE WORSE than any recorded in history. "To whom more is given, more is REQUIRED!"

The Christian America Constitutional Amendment Is The Only Solution to turn America back to having a nuclear deterrent for China, Russia and others that are building up their nuclear capabilities while the USA's nuclear arsenal is falling to ruin, removing all deterrent to our enemies so destroying the USA without retaliation becomes a real possibility and they will be left to "pick up the pieces "after the war in twenty years.

Today's nation of Israel still obeys the Law of Moses in some ways and forbids the selling of their land to foreigners, although today God means a Christian nation by law such as the Bahamas should not sell their land to foreigners. America should also forbid selling its' land to foreigners in free trade, in respect of future generations, and it is a SIN AGAINST GOD... Foreign owners don't care for you and for future generations of Americans. They will exploit you until everything is taken and or destroyed forever.

The idolatry of greed, money is the government's religion of extreme predatory capitalism selling people's minds, souls and bodies which is forbidden and condemned with God's "double punishment" in Revelation chapter 18 in the Holy Bible. Trashing the environment for greed of predatory capitalism and after several centuries planetary death is the endgame of the U.N. World Government.

As Sen. Ted Steven warned, Congress is eventually going to be merely a "rubber stamp," for foreign laws written by government agencies and foreign governments and the United Nations. "Figure Heads, Pro-Forma, Deemed-Passed!" The Christian America Constitutional Amendment Is The Only Solution for Congress to retake its' Constitutional powers and become a voice of leadership, godly change and a better future.

Fmr. Speaker of the House Newt Gingrich leads in the fight to take back America's lost sovereignty to the U.N. World Government, if elected as president, pledging to pass several hundred presidential executive orders to restore America's legal authority to sovereignly exist.

To eliminate Congress' authority and Putting Government on "automatic" bureaucracy, ruled by federal agencies, Congressional committees controlled by professional staff, and reducing the Congress to usually talking ideologues with little capacity to think and reason and compile the facts and listen to objective experts about the long term implications of their policies, appointments and laws. Instead of listening to objective analysis and doing what is best for future American generations, the Congress listens to cronies, ideologues, morally corrupt politicians and DOES NOT PAY ATTENTION to truth, facts, and to the Holy Spirit.

The Bible condemn's people becoming "unreasonable animals." Today virtually no competent thinking is necessary in Congress, no reading of bills, and no Christians allowed, unless Christians leave their religion at the door, and "check their brains in at the door," only rubber stamps need apply for Federal office as the government uses all the media to disinform and turn the public opinions against Christians in government, (disinformation about the "economic recovery" of the economy when free-trade makes recovery impossible, aside from infinite increasing the National Debt), including deceiving the christian news media as they usually parrot the New York Times and 200 other national editors that control most of the "secular media," that are in bed with the CFR The Council of Foreign Relations.

Evolution of Life, an anti-science religion from Egypt (also derived from Charles Darwin who was influenced and taught by his grandfather about the fairy tale from ancient Egypt). Though many academics put “blindness” on the term “social DARWINISM” is consistency with Charles Darwin writing he favor eugenics for improvement of the human race. This type of social darwinism resulted in the Nazi “super-race” ideology and the USA free trade competitiveness deception as a capitalistic “super-race.”

The Religion of Secular Humanism and related religion of Atheism which was also legally defined as a religion by the U.S. Supreme Court which man’s thoughts is everything that is, and God is marginalized or eliminated from all considerations of culture and government education and policies...

The Brookings Institution and others that are ALL working secretly taking all of the legal rights of the American people away through the means of international treaties, laws and regulations of the United Nations World Government. So when foreign leaders of other nations visit the White House, it is actually so they will get their new world orders for the

GLOBAL GOVERNMENT from The world government think tank The BROOKINGS INSTITUTION which they usually visit to get their latest “marching orders,” religious indoctrination in global Civil Government the religion of nations.

WARNING "DO NOT NEGLECT SO GREAT A SALVATION" for yourself and for the nation. God does not make empty threats, an eternity of suffering is a high price for national adoration for going along with the "Pat" Robertson plan for opposing King Jesus and as a result destroying almost all the souls and minds of the American people in the state indoctrination centers of public education in a mix of four major modernized religions.

“Right or wrong?” The Head Start preschool children are brainwashed so to eliminate their conscience, “there is no RIGHT and NO WRONG” but only choices... It is total genocide of CHRISTIANITY by the time the students graduate high-school with the remnant of Christian believers decimated by the religions and gods of higher education. The Christian leaders have been traitors to go along with the government

established religions that have resulted in the total genocide of American Christianity in the children.

"The New STATE RELIGION of CIVIL GOVERNMENT" which instead of the worship of Caesar, today the Supreme Court, Congress and "the office of the president" are worshipped and obeyed far above King Jesus The Lawgiver of righteous laws who is persecuted and banned from government and schools in all meaningful ways.

There is an absolute legal ban by law of influence of churches in government, although the religion of Civil Government intrudes more and more into the lives of Christians in many conflicting ways.

The Religion of Civil Government transcends all cultures and religions brainwashing the children to believe new lies, trying to break free the children from the devils that control the parents, yet without King Jesus, the newly taught school indoctrination only brings new paradigms of lies with sometimes new demons, as the demons take hold of the places the lies have made in the minds and souls of the children, taking the nations into darkness as it did with ancient Rome... The Bible commands, “speak truth to one another” and Jesus said “I AM the TRUTH.” God uses Truth, and respect for the relevant facts to build eternal character and attributes, while the schools indoctrinate with many lies, elimination of the inconvenient facts disproving evolution of life from the simple to the complex.

Teachers teach lies in the science class rooms. Teaching lies and falsehoods through the educational curriculum under the guise of truth as a Trojan Horse to destroy the children's souls has damned almost all the children forever.

Teachers teach there is no absolute biblical morality and instead teaches and gives place to lies that eventually spread corruption in the children's character and eventually destroys their souls in most cases...

God and Jesus have made Truth the “gold standard test” whether Christians are acceptable and suitable for heaven as Jesus said we would be similar to the angels and are required to be obedient as the angels, as Jesus repeatedly said.

The angels function on absolute truth in the presence of God and the Holy Spirit and Christians are required to mature to function in absolute truth, literally hearing the voice of God, as Jesus said “My Sheep Hear My Voice.”

The religion and idolatry of greed of squandering ALL of America's resources, predatory capitalism, “selling men's minds, souls and bodies” for money as in globalism, free trade, television advertising for example is CONDEMNED BY GOD IN THE BIBLE in Revelation eighteen.

Trashing the earth's environment for greed of predatory capitalism and after several centuries planetary death is the endgame of the U.N. World Government.

The USA and Canada in the twentieth century use to have decent moral programming in the past until Congress globalized the media to be corrupted by absolute capitalism by treaty, and so the media networks decided to push the leading edge of the envelope of moral and cultural corruption around the souls and minds of the public and children until they were almost all totally corrupted today. The nation takes the nations captive to its corrupt policies, by using the moral rot of capitalism in the media, sending the American people into the eternal night of the kingdom of darkness in a global nightmare of a "new dark age."

Opposing the rule of King Jesus and His Kingdom on Earth in civil government, Christian Lawyers such as CBN's "Pat Robertson" are largely responsible their treason to King Jesus, by leading the lawyers away from King Jesus in Law with seducing doctrines of demons in the religion of Civil Government and legal polytheism to let as many demons gain control of the USA as quickly as possible.

TOTAL GENOCIDE OF FUTURE GENERATIONS OF CHRISTIANS IN THE USA IS NO AN ACCOMPLISHED FACT ACCORDING TO STATISTICS OF WHAT IS HAPPENING.

By Christian Lawyers betraying King Jesus, going AWOL and choosing the Babylon polytheism in law, it has made it relatively easy for the takeover the USA's government by God's enemies, a one-way trip down "the broad way of destruction," forever it would seem, unless you act and raise up an army to "fight the good fight of faith" for the www.ChristianAmendment.com that is the ONLY WAY to override the wayward judiciary and Congress and eventually bring back God blessings to America.

Polytheism and the state religions taught in the public schools are resulting in total genocide of all future generations of Christians, damning the school children's souls forever!!!

Christian Lawyers saying polytheism will make everything alright?

Now, and forever as it would seem, God has removed His blessings the USA, and His hand is AGAINST THE UNITED STATES unless He has reason to show mercy such as "ten righteous men" appearing before Him in Christian leadership in government (or whatever number of righteous men He demands for to turn His terrible Judgment from the USA. God says "You repent, then I will repent," or face the nightmarish music of ETERNAL CONSEQUENCES."

Non-christians like to deceive themselves, that Christians are "intolerant," however King Jesus is the Creator of the Universe who gives grace and blessings when He is honored as the King of kings, those blessings and grace are needed by those of other religions also.

God expects you to "aim toward perfection." King Jesus is prejudicial wanting ZERO ERRORS, just as math tests are prejudicial requiring ZERO ERRORS. truth brings salvation and lies bring damnation and consequences... Giving God the "right answer" is required by human teachers and by God who is holy. Lies of false religions are unholy and bring eternal suffering as Jesus said... Why should they advocate the state gods/devils from the middle east instead of God and Jesus Christ and His Holy Spirit. "Draw near to God and He will draw near to you!" "Seek His Face, Repent of your sins."

The Christian America Constitutional Amendment Is The Only Solution to bring salvation to America and demonstrate to the children that Jesus is a God worthy of their love and worship, now and forever in government and in public schools. In contrast the children see different gods venerated in the public schools and in government and perceive the parents and or Jesus is another fairy tale.

Civil Government is the religion of ancient Rome where the Christians were persecuted and martyred by the millions for centuries. To bring that terrible religion back with tormenting demons is the death sentence of the USA.

When non-christians gain control in the United Nations, the evil of government escalates into persecution and suffering to the harm of all religions... “The United Nations is a Dangerous Place” as ambassadors of the USA to the United Nations have said. The tenet bedrock doctrine of global government religion of civil government that everyone can become part of the “Family of Nations” is the doctrine of demons and the disregard of everything that history has recorded in such matters of government. The “Family of Nations” doctrine of the Congress and U.S. State Department is truly the “doctrine of demons.”

“Absolute power corrupts absolutely” will become the nightmarish reality the United Nations will eventually become... God’s enemies will rule the United Nations World Government whether the Brookings Institute or Council of Foreign Relations want to acknowledge that nightmarish truth or not. Money rules in global capitalism, and once the USA loses most all of its money as the Fed uses deception as “Quantitative Easing” to destroy the future prosperity of the USA and to bring the final disgrace of bankruptcy to the USA by exploding the growth of the money supply, the general standard of living will permanently fall gradually to third world levels for most Americans...

Christians like to quote "we are not children of (God's) wrath." However that presupposes that there is honest repentance from sin by Christians Leaders who reject God's ruling and reigning on earth and repent of opposing King Jesus and stop opposing the legislation of Christian Laws.

God and Jesus Christ is the Lawgiver, and to refuse to accept His laws is to refuse to accept His blessings now and in the life to come...

The USA government will survive as a fragmented third world group of governments along with the international corporations as the U.S. State Department told Mexico's President they could have back the SouthWest United States that belong to the USA back as part of their "nation," if the people willed it and voted it so. Everything past generations worked for, even the Civil War between the States, which was fought to keep the USA from being "divided and conquered," is being lost by this generation in their mad dash to insanely throw the American people into the jaws of their enemies in the forbidden U.N. World Government.

Some international corporations will remain globally "prosperous" in the global chaos and evil of corrupt "free-trade.

Everything previous generations have worked for is being gradually destroyed by this generation. The Civil War between the states was fought to keep the hard won Union of the States. Today every state can leave the nation as an independent nation or join with other nations according to the U.S. State Department “Family of Nations Doctrine.” After all U.N. Command and the World Government will keep planetary order at “any cost.” No national defenses needed as your enemies will protect you, right??? Only evil await the foolish American people for letting their “Pied Piper” Christian leaders deceiving them and lulling them asleep about politics and their duties as “a nation of Kings and Priests.”

No nation on earth has rejected so much light of God and TRUTH as the USA and the USA will be punished accordingly. In twenty years, according to prophet Kim Clement of TBN, “God will punish the nation with a war.” “The Life of the nation will be taken” and it will be God’s judgment forever.

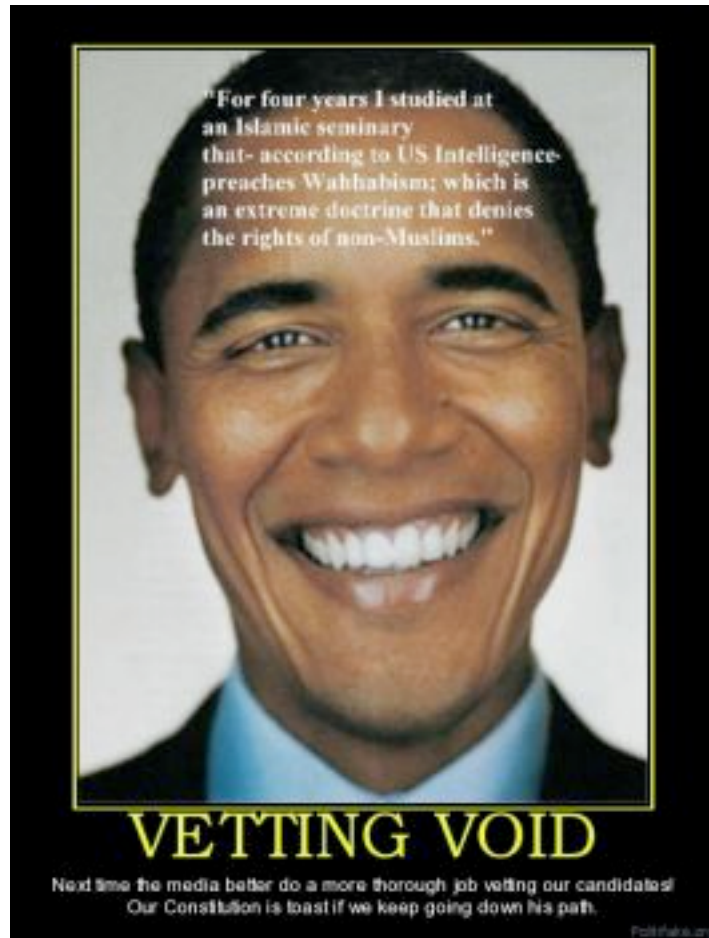

The Christian America Constitutional Amendment Is The Only Solution to save the American people from poverty, Jesus said, “Seek First His Kingdom and His righteousness, and all these things will be added to you (Matthew 6:31).” By not seeking God’s government on earth, poverty will be the nation’s fate.

The American people themselves will gradually fall to poverty and third world status. It is the plan of the CFR, The Brookings Institution and almost all of the world's leaders.

The CIA and U.S. State Department works to replace nationalistic governments that see the New World Order for the “FOOLS PARADISE” it is in reality, such as Brazil’s radical change to support the U.N. New World Disorder.

Some other nations, such as Russia who just parrot cooperation and in reality are just waiting for their chance to take over full control of the U.N. from the stupid Americans. As God said, "How long will you love a stupid spirit???" Jesus said "men will deceive themselves and deceive others."

Obama still advocates Sharia Law in all the nations, as he was trained to do so at an Islamic school that denies basic human rights.

Some nations are still resisting the global insanity of turning their national sovereignty over to their enemies in the U.N. World Government and New World Order... However as doctrine of global government is spread by devils in government, their resistance to evil government will eventually fall...

The Christian America Constitutional Amendment Is The Only Solution to save America's children from religious indoctrination of the state established religions of civil government, humanism, evolution, and greed of predatory capitalism.

The dominant State GLOBAL RELIGION is ROMAN CIVIL GOVERNMENT as Thomas Jefferson warned it is NOT secular. "The New Religion of Civil Government" is a hostile religion to King Jesus and Christianity because of its state polytheism and worship of government and man's laws above God's laws. Polytheism destroyed ancient Israel and polytheism is destroying the minds of the people of the USA.

Washington D.C. changes people because they worship lies and greed of the "Father of Lies" and become controlled by demonic influence as they worship the false religion of "Civil Government." The state religion, the world religion of "Civil Government" is NOT secular but a religion of the worship of demons from the ancient Roman Civil Government. Freedom of Conscience has been perverted to mean "according to the dictates of one's heart (evil lusts)." Instead of denying oneself and doing what is GOOD for future generations of Americans.

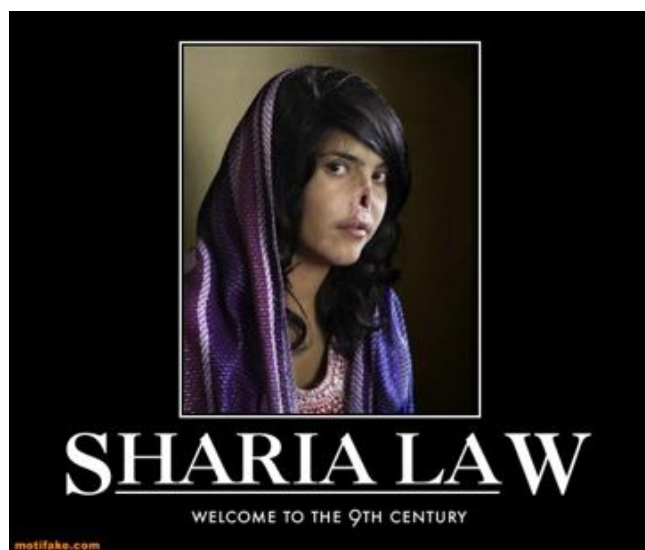

The religion of the "Family of Nations" and Civil government has written they may "normalize" the children and future generations by trillions of dollars of global police enforcement and state indoctrination by the public educational systems.

A Leopard Cannot Change his Spots, "Sharia Law" Obama should be ashamed of sinfully advocating Sharia Law in the nations.

For example, it is wrongly believed Iraq and Afghanistan may be normalized and moderated enough to eventually join the "family of nations" in the New World Order in several decades of indoctrination, as Turkey is today by only murdering evangelizing Christians and missionaries as time passes.

Merely because the U.S. Congress "Makes Believe" in regime changing wars of Iraq and Afghanistan are good policies, make believe and ineffectual policies are a poor foundation for success.

The greatest evil possible of Sharia Law is always the end result. The “Make Believe” policies of the U.S. State Department are the doctrines of demons.

Regime government changes such as in Afghanistan and Iraq may eventually cost the U.S. Treasury trillions of dollars over coming decades of “police action,” ultimately using the public schools to prevail against Islam enough to become “moderate” politically as Turkey has become “moderate,”

allowing NO CHURCHES and all the other muslim nations military ruled. Though recently the Turkish government went back into the hands of Islamic control by “devout” or “pious” religious leaders, they immediately sent Turkish warships to Israel and their oil drilling platforms...

Islam is NOT a religion of peace as hundreds of millions of martyred Christians blood cries from the ground to God. The Koran teaches “kill Christians where ever you find them.”

In reality, because the public schools do not teach the truth, which is the demons of Islam are not replaced with moderation and truth with out the spiritual power of the gospel and truth of Jesus Christ, that only military dictatorships, and martial law sustain the rule of Muslim nations, with brief moments of democracy, which end by installing martial law once again. The religion of Islam is incompatible with democracy, it is a religion in total hatred jihad war for supra national empire that will eventually take over the globe if left unchecked.

The cycles of stupidity of the CIA and State Department show they are INCAPABLE of learning anything without God and His Holy Spirit of Truth. The “Arab Spring” started by the CIA and U.S. State Department resulted in worse forms of government and more repression of the arab people, for Christians and for muslims. “Christian America Constitutional Amendment Is The Only Solution to bring sanity back into the USA government and rational global policies.

Without King Jesus fighting the battle, and channeling/directing the kings’ hearts in Congress where-ever He wishes their is categorically NO HOPE for the future where ONLY tyrannical Global World Government is planned by the Brookings Institution and the Global planners for the U.N. World Government. Amen

In summary, “madness-insanity” and the worship of demons and futility has gripped the minds and souls of the nations’ leaders as they continue to rebel against King Jesus Christ.

Pres. Obama has arranged for UNCOM by order of the U.N. Security to have total diplomatic immunity along with INTERPOL. When the 51 Coalition armies of the UNCOM that have operated in Afghanistan come into the USA, the FEMA concentration camps are ready and all opposition to the nonbiblical U.N. World Government will be CRUSHED by the soon invading ARMIES of UNCOMM and the nightmare of world government will continue then until the end of life. The American Christians are getting the “bum’s rush” out the door of freedom and are going over the cliff in the arms of their enemies in the growing power of World Government.

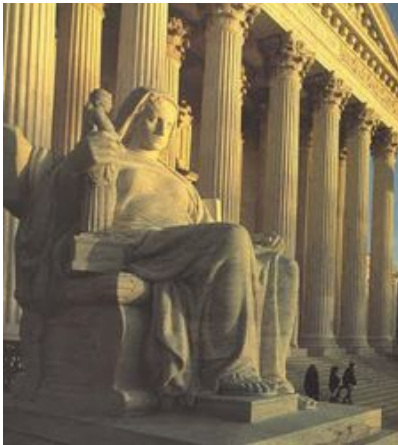

The State religion of Civil Government tenets include the indoctrination of the children so they will not include the “mistaken ideas” of their parents. In the USA, the public educational system works to replaces Christian ideas with the doctrine of demons that ruled the Roman Empire in most children.

Total eventual genocide of the souls of most children is the inevitable result of the state religious indoctrination in the educational system.

It would be good if the public schools stopped teaching the dead language of Latin (as well as making it possible for the demons of the Roman civilization, that result in toga orgy parties and other sinful behaviors and ruined lives) and instead taught biblical greek so Christians may better understand the Word of God. Teaching biblical greek and hebrew as America's early universities use to do is good for allowing the Holy Scriptures speak for themselves without english translation changing the meanings. Teaching biblical greek with the New Testament would do wonders and miracles for the general morality of the public schools.

Some Christian Lawyers want to extol the virtues of "the free market of ideas." In REALITY there is ONLY the Kingdom of Heaven and the Kingdom of Darkness. Either one takes one's liberty to have "the mind of Christ" or to be bound by chains of sin and be carnally minded. To commit sin, results in mandatory selling of one's mind and soul. There is NO SUCH THING as a free market of ideas with God for the Gospel. Either you are for King Jesus or against Him. Amen

For example, by teaching the tenets of the Religion of Civil Government, the State Department's diplomacy includes much rhetoric trying to eliminating the "Cold War" ideas using the religion of Civil Government as the replacement worldview instead of the Cold War worldview.

Indoctrination of such ideas may be changed by propaganda in education, such ideas as enemy nations as China will become part of the “family of nations” spoken about in Congress and not continue to build strategic military capabilities to destroy the United States as the facts show they continue to do so.

China and Russia includes massive WWII military modernization dedicated for the destruction of the USA and other nations that dare to oppose their ungodly ambitions.

Though Russia is building industrial military complex, it is another twenty years until the life of the USA is taken forever. Russia's Putin is just delighted the Americans are so stupid with international corporations to make world government control an attainable goal for The Russian Empire's plans.

As Nikita Khrushchev, the leader whom Russia assassinated and replaced, said the Americans are so stupid they will sell Russia the rope on which they will hang until they are dead and the nation's life is lost by building up God's enemies on credit and loan guarantees.

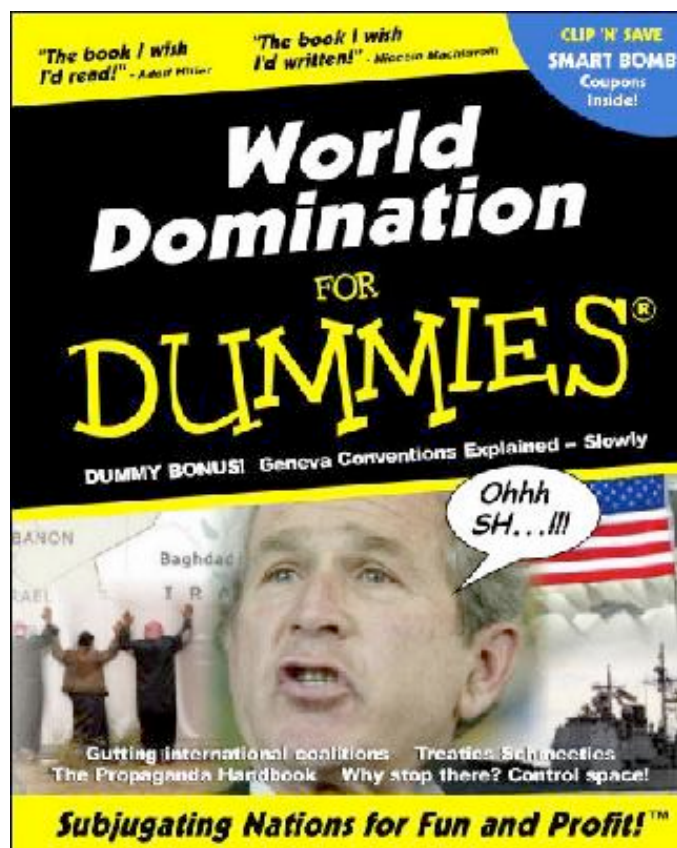

Worse yet, the U.S. Treasury printing press plates for twenty dollar bills were given to Russia. No wonder the USA refuses to gradually change out the old currency for the new currency as the old bills come into the banks. Congress is made up of almost all traitors to America's sovereignty and the nation's future.

In the Book of Nehemiah God led Nehemiah to rebuild the walls and infrastructure of Israel so their enemies would not intimidate them. God is always the same and today the USA needs to rebuild its broken down national walls by globalism and the demonic U.N. world government before it is too late for hope.

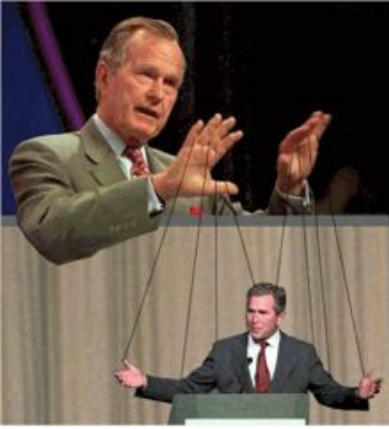

As the USA is overrun by enemies in immigration and eventually by the armies of UNCOMM there is NO place for armed resistance. "What is not of faith is sin." If God is not leading the battle, the battle is lost. God's Hand is against the USA since the Christians stubbornly refuse to fight the good fight for His Kingdom on earth.

Now is the time to repent and engage nonviolently in the media and government and advocate Christian Laws before everything is lost.

Everything will be lost, except for a surviving remnant of Christian disciples for the centuries the U.N. World Government will continue to exist. Russia relentless builds toward their “destiny” as believe for global domination, and the USA does everything possible to make that terrifying possibility a reality through by building Russia’s war making capabilities with “free trade” and the religion of Civil Government brainwashing.

Our leaders seem to incapable of any righteous laws righteous policy and they care little about the facts. America’s leaders want to be deceived and believe everything the devil puts into their minds and into their hearts. Politicians using flawed demonically driven reasoning is inadequate when facing God trying to justify oneself for evilly opposing Jesus Christ’s Kingdom on Earth!

Token figure head politicians, “Talking heads,” that are puppets of the government staffs, ideologues willing to talk, but not willing to listen, they are unwilling to think and reason in a godly manner that is required of godly leaders.

There is plenty of truth and helpful information on my website, help yourself as it is almost all in the public domain, except for the free commentary written about the Book of Revelation that has copyright restrictions.

It is ONLY your stubborn hearts that need to repent and be softened toward the love and freedom of King Jesus Christ who is now ruling the nations on earth now, for good or otherwise. God and Jesus Christ who is making the nations His footstool, including the USA if you fail to act righteously.

The Christian America Constitutional Amendment is the only answer and effective solution for government, with no religious test requirement other than a short faith statement according to freedom of conscience, or lack of it by holders of office, depending upon the quality of Christians you and your children choose to elect to rule you in government leaders, as a free nation, and not under the growing tyranny of your enemies. ONLY by all owing the Creator of the Universe to help rule and guide the minds and souls of the leaders may God’s Truth and grace rule the nation.

Christian America Constitutional Amendment Is The Only legally effective Solution to implement America's Founding Fathers and John Locke's adherence of Isaiah 33:22 "For the LORD is our JUDGE, The LORD is our LAWGIVER, The LORD is our KING; He will save us!"

The foreign laws and regulations are already passed into world law and being made official U.S. Law as they are published in the Federal Register of new laws and regulations by treaty. The United States' time to act as a sovereign nation has run out...

America's leaders were very foolish to listen to the Christian Lawyers who wanted polytheism in law in the RELIGION of Civil Government as Thomas Jefferson, which includes the grotesque statue on the Capitol building called "Freedom Triumphant" which represents the anti-biblical lawlessness or as Babylon immorality of "anything goes" Roman law model that Congress has passed into law by giving us over to our enemies in the U.N. New World Order. Much more maybe said of the betrayal of America's future by Congress.

Act now or be a hypocrite by default, doing nothing, and being forced to support global laws and polytheism in Civil Government instead of a Theocratic Constitutional Republic with freedom according to one's conscience for all Christians.

The Christian America Constitutional Amendment Is The Only Solution to honor Jesus or suffer the consequences of having your enemies rule the USA.

Jesus said "Love your enemies" and did not say to put your enemies in charge of a forbidden world government then have Christians constantly complain that your enemies in government and the schools are ruining your children and doing nothing practical such as changing the laws with the Christian Amendment to save them and your future. Amen

“Isaiah 9:7 There will be no end to the INCREASE [the size] of His government or of peace, On the throne of David and over his kingdom, To establish it and to uphold it with justice and righteousness From then on and forevermore. The zeal of the LORD of hosts will accomplish this.”

For American Christians to oppose Christ's government on earth is very stupid and it results in losing everything eventually. Amen

When Jesus said "Love your enemies" He did not mean let millions of enemies immigrate into your nation and make them your next door neighbors to corrupt your children and ruin the once Christian culture of the nation.

When Jesus said "love your neighbor" in was in the context of a nation of "believers." Your next door Christian is your neighbor.

Other religions are usually your enemies and are not to be your next door neighbors, if you want any "peace of mind," if the Lord wills.

The Christian America Constitutional Amendment Is The Only Solution so there may be a general peace and love of family as in the 1950's in the USA. The general collapse of the culture came with forbidding evangelizing with the Gospel of Jesus and prohibiting prayer by children so to save their souls in the public schools.

When the government lies and says of the great economic benefits of immigrants, it is in the context of globalism, a world without borders, and accelerating the rate of fall for a failing national economy.

The immigrants bought a trillion dollars to the GDP of now bankrupt real estate they could not afford and now the American culture and infrastructure is broken, with little repairs. In the religion of Civil Government, there are no borders, but a Star Trek type of government and freedom with people free to travel and move as they wish.

An multiculturalism utopian ideal that is nightmarish in reality in its consequences to culture and to the future of the USA.

Only by massively increasing capital investment in manufacturing productivity may the general standard of living of the nation be made sustainable and actually increase by the means of manufacturing tax credits. Bringing immigrants in to take American jobs is only hastening the fall of the USA into the darkness of a third world nation generally.

The Christian America Constitutional Amendment Is The Only Solution so there may be a America First trade policy with managed trade, giving a slight profitable “edge” to domestic made products yet maintaing price stability with minor tariffs and duties as in the 1960’s, except in consumer electronics the tariffs would be restored so not to lose everything to foreign nations and foreign owners.

Tax Credits such as the ITC Investment Tax Credit that is currently forbidden by world law in the WTO World Trade Organization would be legal and adequate noninflationary incentives would be provided to increase domestic productivity, research and development and build new factories.

With a small price advantage over tariff duty and quota of foreign products, and american ingenuity American products will again be the envy of the world.

The one shortcoming of the idea of zero taxes on manufacturing, not one new job would be created without increasing demand, which tariffs, duties and quotas would bring about, ALL forbidden by the enemies of the USA in the WTO WORLD GOVERNMENT AGENCY.

Probably about 50% of the “higher” education’s college degrees bring NO PRODUCTIVITY in economics, but rather due to the paradigm traditions of government currently bring higher salaries, as they are given civil government “religious” preference, yet with NO additional economic productivity with all their public education in many cases. Just as waste of money.

As fiscal reality sinks in people's minds with the devastating economic destruction of "free-trade" over the years the paradigm of college degrees from the temples of religion of the educational system will collapse to global economic common denominators and norms of foreign nations that foreign products are imported from.

There are literally “NO-free-lunches” in economics. It is ONLY by empirical manufacturing productivity in addition to intellectual property as a small component that a sustainable higher standard of living may occur... It is ONLY by making more wealth and finding

customers to buy the widgets may a general standard of living increase in the USA in a sustainable manner. Global customers help, but as in the 50’s exports need not be the driving force for sustainable rise in the general standard of living for the American people.

Production of unique products helps a little, but basically the economy GDP is made up of average/commonly made basic goods and basic services.

The Christian America Constitutional Amendment Is The Only Solution to get America's economy moving again with an increasing and sustainable rising standard of living for all Americans. Globalism has destroyed ALL HOPE for any future recovery and will continue until the life of America is taken in war.

The American economy is made up of mostly producing basic goods and basic services to sell which means growth! Replacing basic goods and services with foreign imports and immigrants means decline and a general reduction of the standard of living.

A PRODUCTION/PRODUCTIVITY driven economy results in a sustainable growth of the GDP and general standard of living. A Consumption/Debt financed economy results in a falling standard of living and economic ruin.

Christians Should Obey the Laws

Some people believe they are justified in disobeying government because laws are unfair and officials are corrupt. They justify "civil disobedience" to any law they consider to be unjust.

Romans 13:1-5 -- Be subject to the governing authorities because they are ordained by God (v1). To resist them is to resist the ordinance of God (v2). Government punishes evildoers; do good and you need not worry (v3,4). We must obey, not just because of the wrath of the ruler, but also for conscience' sake (v5) -- i.e., because God commanded us to obey.

1 Peter 2:13,14 -- Submit to civil rulers "for the Lord's sake" -- not just to avoid being caught and punished by the ruler, but to please God. This applies to all laws -- from criminal laws to traffic laws -- and even when we think the laws are unreasonable. We must obey or stand condemned before God.

Acts 5:29 -- We disobey only when obedience to civil law would involve us in disobeying Divine law.

First-century rulers, both Roman and Jewish, were corrupt and unjust. Often Christians were mistreated and persecuted, but this did not justify rebellion. Laws could be disobeyed only when necessary in order obey God.

(See also Titus 3:1; Dan. 3:1-29; 6:1-24.)

Christians Should Pay Their Taxes

Matthew 22:17-21 -- Jesus was asked about paying tribute to Caesar. He said to render to Caesar the things that are Caesar's and to God the things that are God's. Some people cheat on taxes or even refuse to pay. They may just be selfish, or they may justify themselves on grounds that the government is corrupt. But the Roman government was corrupt and hated by Jews, yet Jesus still taught His disciples to pay their taxes.

Christians must return good for evil, not evil for evil (Rom. 12:17-21).

(See also Rom. 13:6,7; Matt. 17:24-27).

C. Christians May Rebuke Sin in Government and May Appeal to Higher Authorities. Though Christians must obey all laws unless those laws require them to sin, yet this does not mean they passively accept mistreatment without recourse or that they never tell the rulers they are wrong.

Bible examples in which God's people rebuked rulers for their sins.

Some people object when preachers and churches rebuke evil laws or sinful rulers.

They say we "should not get involved in politics." Yet many Scriptures teach the general principle that Christians should rebuke sin, wherever it occurs (Rev. 3:19; Eph. 5:11; 2 Tim. 4:2-4). This includes rebuking sinful rulers as the following examples show:

Matthew 14:1-4 -- John the Baptist told King Herod he was wrong for taking his brother's wife. For this John was imprisoned and beheaded.

Acts 24:25 -- Paul reasoned with Felix about righteousness, self-control, and judgment to come.

2 Samuel 12:1-15 -- Nathan rebuked David for adultery with Bathsheba and having her husband killed.

Old Testament prophets often rebuked rulers for idolatry and other sins (cf. 1 Kings 13:1-5; Dan. 4:1-37).

Christians today not only may speak out, but should speak out, when government permits and even promotes immoral conduct such as abortion, homosexuality, pornography, divorce, and gambling.

Churches, as such, should endorse candidates or support political campaigns.

Individual Christians should not take the law into their own hands. Although people of God in the Bible protested immoral laws and evil conduct by rulers, yet they did not lead violent revolutions nor try to assassinate the rulers. They obeyed the laws except when the laws required them to disobey God, but they told the rulers they were wrong.

Bible examples in which God's people used their rights as citizens to seek protection from mistreatment.

Esther 7:1-6 -- Haman plotted to pass a law authorizing the death of all Jews. Queen Esther appealed to a higher authority by revealing the plot to the king and urging him to protect her people.

Acts 22:24-29 -- When Paul was bound and about to be beaten contrary to the law, in order to protect himself, he reminded the authorities of his rights as a citizen (Cf. 16:35-40).

Acts 23:12-33 -- When a plot was made against Paul's life, he appealed to the Roman rulers to protect him.

Acts 25:10-12 -- When Paul was being improperly imprisoned, he used his right as a Roman citizen to appeal his case to a higher court all the way to Caesar.

While Christians must obey law, they should tell rulers when they are wrong, and they may use their rights as citizens to seek protection by the government or to appeal decisions to higher authorities.

Christians Should Pray for Rulers

1 Timothy 2:1,2 -- Prayer and thanksgiving should be made for kings and all in authority.

One of the strongest forces a Christian has for the good of his country is the power of prayer. We should pray that government will not hinder our service to God, but that we may serve God in peace.

[Esth. 4:15-17; Neh. 1:11-2:5; 1 Chron. 29:19]

Bible Scriptures relevant to God and Civil Government:

“Render to Caesar the things that are Caesar’s.” (Matthew 22:21)

“We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take every thought captive to the obedience of Christ.” (2 Cor 10:5)

“The earth is the Lord’s and the fullness thereof.” (Psalm 24:1)

“We must obey God rather than man.” (Acts 5:29)

“You are the salt of the earth...the light of the world.” (Matthew 5:13-16)

“The wicked shall be turned into hell, and all the nations that forget about God.” (Psalm 9:17)

“Blessed is the nation whose God is the Lord.” (Psalm 33:12)

“On account of me, you will stand before governors and kings as witnesses to them.” (Mark 13:9)

“The good influence of godly citizens causes a city to prosper.” (Proverbs 11:11)

“I, the Lord, speak the truth; I declare what is right.” (Isaiah 45:19)

“We are not trying to please men, but God, who tests our hearts.” (1 Thessalonians 2:4)

“Woe to those who call evil good, and good evil.” (Isaiah 5:20-21)

“Thou shalt not kill.” (Exodus 20:13-15)

“Do not give the devil a foothold.” (Ephesians 4:27)

“A wise man attacks the city of the mighty and pulls down the stronghold in which they trust.” (Proverbs 21:22)

“Blessed are those who are persecuted because of righteousness.” (Matthew 5:10-12)

“Furthermore, you shall select out of all the people able men who fear God, men of truth, those who hate dishonest gain; and you shall place these over them, as leaders, of hundreds, of fifties and of tens.” (Exodus 18:21)

“When the righteous are in authority, the people rejoice; but when the wicked beareth rule, the people mourn.” (Proverbs 29:2)

“When rulers are wicked, their people are too.” (Proverbs 29:16)

“For the wicked shall not rule the godly, lest the godly be forced to do wrong.” (Psalm 125:3)

“Unless the Lord builds the house, its builders labor in vain.” (Psalm 127:1)

“Speak up for those who cannot speak for themselves.” (Proverbs 13:8-9)

“To the Jews I became like a Jew....” (1 Corinthians 9:20-24)

“Then Jesus came to them and said, “All authority in heaven and earth has been given to me.”” (Matthew 28:18)

“Fill the earth and subdue it.” (Genesis 1:26-28)

“Your kingdom come. Your will be done, on earth as it is in heaven.” (Matthew 6:10)

To suggest the nations’ government is “secular” and not spiritual in nature is unbiblical. Before the cross the devil said all the earth’s nations were under Satan’s government. After the cross the devil was demoted from the ruler of the earth to the “prince of the power of the air.” Jesus now has total authority and control as rulers chose to work with Him or work against Him.

The religion, belief system, philosophies and world view affect every action and every vote of every leader, for good or for evil.

As Adolf Hitler said, “repeat a lie enough times (as “truth” in the public schools and media) and most everybody will believe it.” The public schools teach government is secular when the facts of all history and the bible teach otherwise.

ONLY BY AN "AMERICA FIRST" national-economic-policy may there be hope for the future as God's Spirit quiets down and turns our enemies passive in an increasingly dangerous world due to World Government and "free-trade."

Christians are just wasting their time if they fail to "fight the good fight of faith" for King Jesus instead of for government pagans and polytheism which is corrupting all the nations.

Christians better forget about an utopian "second coming" heretical "golden age Millennium" as it is foolish and unscriptural biblical hermeneutics. John 12:34* "The multitude therefore answered Him, "We have heard out of the Law that the Christ is to remain forever; and how can You say, 'The Son of Man must be lifted up'? Who is this Son of Man?""

Today's end times preachers say that Christ is to remain forever on earth, so ipso facto there must be ONLY a onetime Christ ruled Millennium, but as history records, there have been several as Jesus returned to be in all Christians thousands of years ago.

According to the Acts 1 statement of multiple political nations would be established “times and season” statement of Jesus there would be several Millenniums, a metaphor. However Jesus being God actually had several thousand year kingdoms on earth He ruled in to show that He fulfills His prophecies and is faithful to perform His promises in His Word.

Christ has been on earth ruling and reigning the kings and nations of the earth, based upon the free will of each individual king, ever since His Glorification in every believer in Acts 2 at Pentecost and in the midst of Christians spiritually touching in prayer for His presence and His Will on earth.

The Book of Revelation is about Christ’s return to the earth circa 70 A.D., destroying the evil Jewish people who rejected Him and working to establish His Kingdom on Earth as it is in heaven.

The Christian America Constitutional Amendment Is The Only Solution given to help effectively establish God’s Kingdom on earth so that Christians may have their needs met for future generations and have a prosperous future for the nation’s children.

Since the American Christians reject obeying King Jesus in the leaders they elect, reject Christian Laws and reject King Jesus ruling and reigning the nation in government and in the schools, the Lord Jesus has rejected the nation from existing before Him.

The free eBook of Revelation commentary on my website written by Dr. David Chilton will give a professional perspective and biblical insight what the true interpretation of the Book of Revelation is for those who wish to be noble and study these matters carefully in the sight of God. Titled THE DAYS OF VENGEANCE.

The "Millennium" is mentioned SIX times in Revelation, as that is the "Number of Man" in Bible typology and numerology which indicates it is man's hands whether the devil is locked up and the nation blessed by obeying King Jesus in government, or incur His wrath and the devils' schemes executed against the nation forever. The rebellion of the American Christians is severe.

No nation is equal to the USA in history being guilty of rejecting so much of God's light, His truth, the Way of Jesus and ignores the facts as America has done! As a result there will be a far greater punishment will be God's Judgment against the nation for centuries to come... Jesus said "To whom more is given more is required." Jesus required more of the USA and the American Christians refused to obey Him. Amen

King Jesus would be happy to lock up the devil in the pit for a "thousand years," but the American Christians love to rebel and actually oppose Christian government and oppose honoring the rule of King Jesus by passing godly laws so America will have a bright future...

The "ways" of the American Christians opposing Christian government and opposing His Kingdom on earth are NOT pleasing to King Jesus. It is the American Christians Rebellion that is bringing all the evil against the nation driving the nation mad as the Curse of the Law of God requires for rejecting Him.

For those that wrongly teach Christians have no business in government, Apostle Paul said he personally would be happy to rule in government office. Those who say the church has no business in politics is anti-biblical and just dead wrong!

God's first principle was to have prophets rule Israel as written in the Book of Judges. In the N.T. the Prophets are to "judge." God has never changed His requirements for godly government.

However God notes the degrading power of sin to change people from good to bad and in De 17:14 prophesied Israel would want a king as all the pagan nations and tells them the requirements for righteous leaders. The churches and government today have the same requirements for godly leaders upon them today as King Jesus rules today and

He is to be obeyed today in government or else there will be terrible consequences as God's just judgment against the USA. Amen

Pr 16:7 “When a man’s ways are pleasing to the LORD, He makes even his enemies to be at peace with him.” Just as God quieted down the enemies around King Solomon’s Israel so God is able to quiet down all the enemies of America if the WAYS of the American Christian Leaders are pleasing to God instead of in rebellion to God and King Jesus opposing Christian Law and opposing a Christian nation. God has NO CHOICE but to raise up more and more enemies until the USA is destroyed as He DEMANDS repentance and He DEMANDS OBEDIENCE through Christ our Lord. Amen

Christian America Constitutional Amendment Is The Only Solution for future hope of the American people. Without it, only failure in the courts and in Congress is possible with economic failure and social ruin caused by legal polytheism taught by the state indoctrinational centers, also known as the public schools.

King Jesus said "either you are for Me, or against Me." Stop opposing King Jesus in and a Christian American nation by Law.

Why prefer in law the worshipping the demons of the state religions of civil government from Rome and from the middle east over King Jesus God Almighty?

Jesus commands His angels to do good or destroy the nations, the choice is yours made by your free will repentance and choosing to be led by His Holy Spirit. Amen

The Kingdom of God on Earth on one of those “times and seasons” of a number of Christian nations, or do nothing and send the nations all into the new “dark ages” of the growing Kingdom of Darkness of the U.N.

World Government? Christians need to stop believing lies in Eschatology and work while there remains a little time for repentance with the possibility of God returning His Blessings upon America and save the children from certain eternal damnation by the relentless evil the public schools have become with indoctrination of the state established religions including the supreme religion of the nations of civil government. God’s angels wait for your decision to obey King Jesus in the faith.

Please support King Jesus or there is truly NO HOPE for the USA that has rejected the CREATOR of the UNIVERSE forever.

It is our duty to God to give Him good opportunities to bless us with our true heartfelt repentance for Him so to allow Him to rule with a sovereignty that prosperity and freedom in government.

Freedom of volunteer praying in the schools may be the children's resulting inheritance, instead of certain coming tyrannical hostile government and poverty for centuries to come as the consequences of non-action.

Total genocide of almost all future Christians in the USA is statistically a fact. Only the Christian America Constitutional Amendment and King Jesus may change that fact. Amen

Grace, Blessings and Love Always in King Jesus our Lord and Master. Amen
